Gettysburg 75th anniversary reunion poster (Courtesy of Nick Smith) In 1938, it was announced that the 75 th anniversary gathering at Gettysburg would be the last of its kind, as it was becoming difficult for the veterans, now in their nineties, to travel across the country. In fact, for that year there was a rule that each veteran would have to travel with a younger relative, in case of emergencies.

Sharon O'Brien was a tormented woman and believed the truth would set you free. What she didn't realize, was all good things would end and she would have to reunite with her own. "Last Reunion" is a heart rendering tragedy, of a compassionate Irish family, destroyed by the closing of a generation, thus revealing the deception of an elder sibling's manipulation of the family fortune. This literally had her giving away the family farm. Her devious plot to eliminate obstacles in her path, proved fatal for the pariah. The unbearable suffering led to the blatant truth of deception and overwhelming power of greed. Eventually, causing a beloved family member to clean the slate, confessing to the murder of Annie, the family thorn. She was undeniably, responsible for the death of her first born child. Once again,causing the repetition of the family feud, only this time, leaving no possibility for reconciliation. Surrounding this saga lies a melee of lust, humor, hate and total betrayal, indicating they had lost sight of their strongest virtues; that of love and forgiveness. This profound catastrophe, ending a generation, would suggest that this Irish clan are typical fighters, not lovers, leaving behind so much destruction and pain.

The Last Reunion is an intense drama of good vs evil, of lethal conflict between spirit-empowered Jim Hoeven and his immortal adversary. An unusual use of scripture frames this political and spiritual intrigue. Jim is found on the steps of an Indiana orphanage during a December blizzard. His life leads him from the cornfields and forests of the American heartland into the halls of Congress and the international arena. Blessed with rare powers, he struggles to fulfill his mission against overwhelming odds. Among the cast of characters: Sarah Rainey, bossy orphanage cook; Ann Feeney, Jim's beloved Irish nanny; Russ Walker, Indiana governor and senator; Sapphira Duviere, the evil house-lady; beautiful Carolyn Kelley; surgeons Weber and Little; wise Pastor Alfred Dunlop; and satanic Wendell Anderson. Romance, danger, escalating suspense, fears, sorrows, joys, and a surprise ending comprise this story. Humanity's destiny hangs on the outcome; and maybe, just maybe, it isn't fiction. What readers are saying: "Fantastic! So well written. A modern-day fable."-Laurie McKray, Real Estate agent, Salt Lake City, Utah "An excellent read. Could hardly put it down, even to eat."-Bob and Ann Wood, retired sailors, Savu Savu, Fiji "Awesome, you guys. The hospital scenes were radical."-Dannette Mainville, pre-med student and mother, Kokomo, Indiana "One of the most intriguing and insightful books I've read in a long time."-Scott Torrey, automobile salesman, Logansport, Indiana

As the new millennium opens, the greatest generation draws to a close. The December of their years are closing fast. Soon the men and women who lived through the war will only be memories. The Last Reunion depicts the experience and turmoil that they encountered through the years by using their unit (Seventy-Seventh Infantry Division) reunions as milestones. The central character is a platoon sergeant who leads them through the war years and remained close to certain members of his platoon and squad. The story begins with the sergeants death and the subsequent discovery by his wife of a long-held secret the sergeant had hidden in an old war chest. The story flashes back to the battle for the island of Okinawa, his units participation, and real events that occurred there such as the death of Ernie Pyle, a war correspondent universally respected by the grunts and military personnel and widely known for his novel Here is Your War in 43. The story shifts to the first reunion held in Atlanta in 56. Racial attitudes and the widening gap between the white and colored citizens are portrayed against the new enlightenment of the veterans. The old ways are being challenged and many of the vets are questioning what, exactly, did they fight for? The America they fought for has changed dramatically. They see the vanquished nations they fought against reasserting themselves and becoming allies. The stability of the democracy is becoming more fragile, and the promises they thought would follow victory become hollow. Alcoholism, isolation, resentment, and confusion haunt the sergeant as he tries to fit into the world he now finds himself in. His wife tries to help him resolve his turmoil only to find that, the more she tries to help, the more isolated he becomes. As the decades pass, more and more of the men of the platoon die, some in circumstances that mock their experiences during the war. Each reunion reflects the dwindling numbers of those able to attend. As the veterans mature, they make a salutary peace with the past and present. But the wife of the sergeant does not find peace with her husband but a cease-fire. She comes to accept that he is what he is and understands that whatever changed him cannot be undone. After the discovery of the secret in the war chest, she attends the last or final reunion and discovers the event her husband guarded so severely. She then attempts to resolve the issue and finally begins to understand why the person who left her to go to war never returned. www.JoseMedinaBooks.com
