Fans of The Kane Chronicles series will adore this gorgeous primer on the people, places, gods, and creatures found in Rick Riordan's #1 New York Times bestselling series. Featuring enough information and extras to satisfy avid followers and budding Egyptologists alike, this lavishly illustrated guide will cast a spell on readers of all ages.

A collection fit for the (Egyptian) gods! All three books in the blockbuster Kane Chronicles trilogy are together at last! This series will be treasured by readers of all ages, whether they're experiencing Sadie

and Carter's amazing adventures for the first time or are faithful fans eager to devour the saga all over again.

In this adventure, Annabeth encounters more oddities in the subway than usual, including a two-headed monster and a younger blond girl who reminds her a little of herself. This is the story fans have asked for, in which Annabeth Chase teams up with Sadie Kane. The demigod daughter of Athena and the young magician from Brooklyn House take on a larger-than-life foe from the ancient world. Perhaps even more disturbing than the power-hungry god they encounter is the revelation that he is being controlled by someone—someone all too familiar to Sadie. As a special bonus, the first chapter of *THE BLOOD OF OLYMPUS*, the final book in the *Heroes of Olympus* series, is included.

Best-selling author Rick Riordan presents Lori M. Lee's middle grade debut about a lonely Hmong girl who discovers she's a powerful shaman warrior in this fantasy inspired by Southeast Asian mythology. "I love the adventures Pahua has in this book. I also love the sense of humor, the clever plotting, and the fantastic cast of characters. But most of all I love Pahua: her courage, her kindness, and her love for family."--Rick Riordan Pahua Moua has a bit of a reputation for being a weirdo. A lonely eleven-year-old Hmong girl with the unique ability to see spirits, she spends her summer days babysitting her little brother and playing with her best friend, a cat spirit no one else can see. One day Pahua accidentally untethers an angry spirit from the haunted bridge in her neighborhood--whoops. When her brother suddenly falls sick and can't be awoken, Pahua fears that the bridge spirit has stolen his soul. She returns to the scene of the crime with her aunt's old shaman tools, hoping to confront the spirit and demand her brother's return. Instead, she summons a demon. Thankfully, a warrior shaman with a bit of an attitude problem shows up at the last minute and saves her butt. With the help of this guide, Pahua will have to find her way through the spirit worlds and rescue her brother's soul before it's too late. Little does she know she'll have her own discoveries to make along the way. . . . With its unforgettable characters, unique nature-based magic system, breathtaking twists and reveals, and climactic boss battle, this story based on Hmong oral tradition offers everything a fantasy lover could want. Greetings, initiate! Carter Kane, here. Congratulations on reaching Brooklyn House in one piece. You are quite clearly descended from Egyptian royalty, with magical powers gifted from the gods. But what good is power without knowing how to use it? That's where this training manual comes in. It's packed with quizzes, stories and inside info on the Ancient Egyptian deities. For those with the blood of the pharaohs, this is your first step down the path of the gods. But beware, anything can happen in the world of Egyptian magic . . . Forming a trio with *HOTEL VALHALLA* and *CAMP HALF-BLOOD CONFIDENTIAL*, this companion guide gives readers the inside scoop on Brooklyn House - the safe haven in New York for magicians like Carter and Sadie Kane.

The trouble starts when Apollo introduces Percy and his friend Grover the satyr to the Chryseae Celedones. Three golden women--living statues--appear in front of them, and sing one blissful chord. Apollo has a concert tonight at Mount Olympus, and he needs the Celedones as his backup singers. But there should be a quartet, not a trio--one of the singers has gone rogue. It's up to Percy and Grover to find the missing Celedon somewhere in New York City before she causes any problems. Capturing an attention-seeking automaton in a crowd of mortals is going to require some cagey thinking. Will Percy and Grover succeed, or hit a sour note?

Carter and Sadie Kane, descendants of the magical House of Life, are in pretty big trouble. Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the Underworld? Don't miss any of the explosive action in the final thrilling instalment of the Kane Chronicles Trilogy.

Brilliant Egyptologist Dr. Julius Kane accidentally unleashes the Egyptian god Set, who banishes the doctor to oblivion and forces his two children to embark on a dangerous journey, bringing them closer to the truth about their family and its links to a secret order that has existed since the time of the pharaohs.

“ An extraordinary real-life adventure of men battling the elements and themselves, told with ice-cold precision. ” –Kirkus Reviews (starred review) In the dark years following the Civil War, America ' s foremost Arctic explorer, Charles Francis Hall, became a figure of national pride when he embarked on a harrowing, landmark expedition. With financial backing from Congress and the personal support of President Grant, Captain Hall and his crew boarded the *Polaris*, a steam schooner carefully refitted for its rigorous journey, and began their quest to be the first men to reach the North Pole. Neither the ship nor its captain would ever return. What transpired was a tragic death and whispers of murder, as well as a horrifying ordeal through the heart of an Arctic winter, when men fought starvation, madness, and each other upon the ever-shifting ice. *Trial by Ice* is an incredible adventure that pits men against the natural elements and their own fragile human nature. In this powerful true story of death and survival, courage and intrigue aboard a doomed ship, Richard Parry chronicles one of the most astonishing, little known tragedies at sea in American history. “ ABSORBING . . . Suspense builds as Parry describes the events leading up to Hall ' s ‘ murder, ’ then climaxes in horrifying detail. ” –Publishers Weekly “ RIVETING. ” –Library Journal
