managerial potential. The 14-chapter format is comprehensive enough for the one-term course yet flexible enough to allow for additional readings, activities, or discussions.

The most practical leadership textbook on the market, LEADERSHIP 6e uses a unique three-pronged approach to teach leadership concepts and theory. The authors combine traditional theory with cutting-edge leadership topics in a concise presentation packed with real-world examples. The text puts students in the leadership role, engaging them in applying the concepts and providing step-by-step behavior models for effectively handling leadership functions.

To be an effective manager, you must be an effective leader. And while some people have innate leadership ability, most people need to learn this skill. Through the use of theory, application and skill development exercises, Management Effectiveness trains readers to know what leadership is and how it must be integrally linked to management for it to succeed. It provides detailed information about communication, empowerment, delegation, influencing, and change management. In addition, the book provides hands-on, real-world, step-by-step models to demonstrate how day-to-day leadership functions are handled. Through the use of this three-stage approach of theory, application, and skill development, Robert Lussier and Christopher Achua have created a leadership manual of the highest caliber that should be on every manager's bookshelf.

Applied Sport Management Skills, Third Edition With Web Study Guide, takes a unique and effective approach to teaching students how to become strong leaders and managers in the world of sport. Organized around the central management functions—planning, organizing, leading, and controlling—this third edition addresses the Common Professional Component topics outlined by the Commission on Sport Management Accreditation (COSMA). The text explains important concepts but then takes the student beyond theories, to applying those management principles and developing management skills. This practical how-to approach, accompanied by unmatched learning tools, helps students put concepts into action as sport managers—developing the skills of creative problem solving and strategic planning, and developing the ability to lead, organize, and delegate. Applied Sport Management Skills, Third Edition, has been heavily revised and touts a full-color format with 1,300 new references. Content updates keep pace with industry trends, including deeper discussions of legal liability, risk management and equipment management, servant leadership, sport culture, and social media. Particularly valuable are the special elements and practical applications that offer students real opportunities to develop their skills: Features such as Reviewing Their Game Plan and Sport Management Professionals @ Work (new to this edition) provide a cohesive thread to keep students focused on how sport managers use the concepts on the job. Applying the Concept and Time-Out sidebars offer opportunities for critical thinking by having the student think about how specific concepts relate to a sport situation or to the student's actual experiences in sports, including part-time jobs, full-time jobs, internships, and volunteer work. Self-Assessment exercises offer insight into students' strengths and weaknesses and how to address shortcomings. An enhanced web study guide is integrated with the text to facilitate a more interactive setting with which to complete many of the learning activities. Several of the exercises require students to visit a sport organization and answer questions to gain a better understanding of sport management. Skill-Builder Exercises present a variety of scenarios and provide step-by-step guidance on handling day-to-day situations such as setting priorities, conducting job interviews, handling conflict, and coaching employees to better performance. Sports and Social Media Exercises offer Internet-based activities that expose students to the role of social media in managing a

sport organization. Students are required to use popular social media sites such as Facebook, Twitter, and LinkedIn and visit sport websites. Game Plan for Starting a Sport Business cases put students in the driver ' s seat and ask them to perform managerial activities such as developing an organization structure and formulating ideas on how to lead their employees. The web study guide allows students to complete most of the learning activities online or download them and then submit them to the instructor. Instructors will also have access to a suite of ancillaries: an instructor guide, test package, and presentation package. Applied Sport Management Skills, Third Edition, is a critical resource that provides students with a thorough understanding of the management principles used in sport organizations while also helping students developing their practical skills. Students will appreciate the opportunity to begin building a solid foundation for a fulfilling career in sport management.

Whether your students are HRM majors or general business majors, Human Resource Management: Functions, Applications, and Skill Development, Third Edition, will help them build the skills they need to recruit, select, train, and develop talent. Many authors write about leadership, but few have lived it at the level of Lt. Gen. Rick Lynch. The world is in desperate need of authentic, reliable leaders at all levels of society. Twenty-first-century leaders face unprecedented challenges and rapid change, and leaders with a keen ability to adapt are in high demand. Sharing stories from the front and insights born from overcoming adversity on both the battlefield and in the boardroom, Lynch reveals impactful leadership principles ranging from earning respect and working effectively with diverse teams to adapting to new technology and laying a foundation of trust built upon integrity. With refreshing directness, he shows readers how to make wise calls and gain the confidence they need to lead in our ever-changing world.
