A mentoring plan is a way to clarify and formalize a relationship between a mentor and mentee. Once you've been matched with your mentor or mentee, you can outline the specifics of your roles and define guidelines for the relationship, such as meeting frequency and location. Then, work together to describe goals and objectives.

Companies must innovate to grow, but

## Get Free Leadership Plain And Simple Plain And

they often forget to look beyond their own brands. Take Sony, for example. Its success with consumer innovations like the Walkman blinded it to obvious changes in how, when, and where people wanted their music. Apple capitalized on those changes in demand with the iPod, providing a new way of listening to music and of managing one's entire music library. This book explains how you can spot these opportunities that are hidden in plain sight. It introduces the demand-first innovation and growth model that will show you how to become an unbiased observer of people's consumption and usage behaviors. Refining this skill helps companies generate organic growth through new products, services, solutions, and experiences that truly enhance peoples' lives. Revealing the
