One of the most amazing things about Hebrew is that, in less than a century, it has gone from an ancient language of prayer and ritual spoken by a few holy men to a modern language of sunbathing, dining, going to the movies, and countless other everyday activities, spoken by millions. Modern Hebrew is a beautiful language, but for a native English speaker it can be tough wrapping your tongue around exotic expressions like "Ha'im Ayn Oogiyot?" ("What, no cookies?"). As with any language, the quickest way to master Hebrew basics is to immerse yourself in its sounds and rhythms. The next best thing to six months in Haifa, Hebrew For Dummies lets you do just that! Whether you want to communicate with your Israeli cousins, understand Jewish prayers and sacred literature, impress your Jewish in-laws, or you're planning a trip to Israel, this book/audio package can help. In no time, you'll:

- Master Hebrew sounds and rhythms
- Understand basic grammar and usage
- Get a handle on the Hebrew alphabet
- Make small-talk, and most everyday transactions
- Discover the basics of Hebrew blessings and prayer
- Gain insights into Hebrew culture and traditions

Each chapter of Hebrew For Dummies is organized around a specific set of activities—such as eating, traveling, shopping, and asking directions—and gives you the lowdown on all the Hebrew you'll need to get by. Topics covered include:

- Eating, going shopping, having fun, sports, hobbies, talking on the phone, communicating around the office, and other everyday activities
- Hebrew for travelers, including transportation, hotels, money changing, asking directions, and handling emergencies
- Sacred Hebrew, including reading the Bible and prayer books, blessing formulas, sacred rites and services, and more

The enclosed audio CD lets you pick up Hebrew the easy way—through actual conversations. It features:

- Dialogues by native Hebrew speakers
- Answers to the Fun & Games activities in the book

The fun, easy way to master basic Hebrew, this book will quickly get you on track with the language skills you need to speak and read Hebrew like a native.

Learn to Write the Hebrew Script presents a new and innovative approach to learning the Hebrew script. Drawing on the common ancestry of European and Hebrew alphabets and the natural inclinations of the writing hand, Orr-Stav shows how the Hebrew script may be understood and acquired almost intuitively through a three-step transformation of ordinary Roman-script cursive. Thoroughly researched but written with a light touch and the empathy of someone who's been there, Learn to Write the Hebrew Script uncovers several surprises and dispels much of the mystique of what is often an intimidating subject, making the script of the Old Testament much more accessible to millions of non-Hebrew speakers worldwide. "What sets this book apart is its novel approach to the subject, which offers the Western reader a far more accessible and less intimidating approach to the subject."—J.P. Kang, Princeton Theological Seminary "A completely novel approach to this knotty problem. For anyone who wants or needs to learn Hebrew, this book is a must, a valuable adjunct to any teaching aid."—Josephine Bacon, American Translators Association Chronicle "This quirky, unexpected, and utterly charming book offers a three-step method for learning to write Hebrew script, and the author has a gift for presenting the technical and abstract clearly and disarmingly."—The Jerusalem Report

This book will be a valuable tool for anyone interested in learning how to read the Hebrew Bible in its original language. Jeff A.
