La lectura critica es la forma mas compleja de comprension y principal instrumento que permite la democracia en cualquier tipo de sociedad. En este libro se explora como los libros de texto trabajan la lectura critica en la educacion secundaria. La lectura critica es una practica social en las que se debe leer ideologias, los punto de vista, los sesgos, las miradas subjetivas, etc. "Uno de los axiomas que asume el proyecto es que no existe el discurso neutro u objetivo que denomine empiricamente hechos de la realidad" (Cassany, 2003)."

Incluye oraciones cortas, palabras familiares y conceptos simples para aquellos ninos que desean leer por su cuenta. Ademas contiene bellas imagenes a todo color que acompanan la lectura inicial.

With hit books that support strategic reading through conferring, small groups, and assessment, Jen Serravallo gets emails almost daily asking, "Isn't there a book of the strategies themselves?" Now there is. "Strategies make the often invisible work of reading actionable and visible," Jen writes. In *The Reading Strategies Book*, she collects 300 strategies to share with readers in support of thirteen goals-everything from fluency to literary analysis. Each strategy is cross-linked to skills, genres, and Fountas & Pinnell reading levels to give you just-right teaching, just in time. With Jen's help you'll: develop goals for every reader give students step-by-step strategies for skilled reading guide readers with prompts aligned to the strategies adjust instruction to meet individual needs with Jen's Teaching Tips craft demonstrations and explanations with her Lesson Language learn more with Hat Tips to the work of influential teacher-authors. Whether you use readers workshop, Daily 5/CAFE, guided reading, balanced reading, a core reading program, whole-class novels, or any other approach, *The Reading Strategies Book* will complement and extend your teaching. Rely on it to plan and implement goal-directed, differentiated instruction for individuals, small groups, and whole classes. "We offer strategies to readers to put the work in doable terms for those who are still practicing," writes Jen Serravallo. "The goal is not that they can do the steps of the strategy but that they become more comfortable and competent with a new skill." With *The Reading Strategies Book*, you'll have ways to help your readers make progress every day. Visit heinemann.com/readingstrategiesbook/ where you'll find blog posts, videos from Jen Serravallo, community features, and more information on *The Reading Strategies Book*.

Encourage second-grade students to build their reading comprehension and word study skills using daily practice activities. Great for after school, intervention, or homework, teachers and parents can help students gain regular practice through these quick, diagnostic-based activities that are correlated to College and Career Readiness and other state standards. Both fiction and nonfiction reading passages are provided as well as data-driven assessment tips and digital versions of the assessment analysis tools and activities. With these easy-to-use activities, second graders will boost their reading skills in a hurry!

La lectura para nosotros posee un valor por sí misma pero, además, las lecturas están impregnadas de valores que el autor transporta a su texto. Sabemos que es el lector quien activa el significado de una historia, dando forma a su contenido, quien da vida a partir de sí mismo a los personajes y a los hechos que otro 'el escritor' le ofrece. Por ello nos parece tan importante realizar estudios sobre cuál es el contenido de los textos, qué características tienen los valores que están incluidos en ellos y, no nos parece menos importante, comprender los complejos procesos que tienen lugar cuando un lector analiza los valores contenidos en un texto o, simplemente, cuando sus propios valores entran en relación con los que el libro que lee les ofrece. En esta línea de reflexión se encuentra el libro que el lector tiene en sus manos, que recoge distintos estudios realizados por investigadores del CEPLI.
