Segregated Charleston, SC, 1955: There are 62 official Little League programs in South Carolina -- all but one of the leagues is composed entirely of white players. The Cannon Street YMCA All-Stars, an all-black team, is formed in the hopes of playing in the state's annual Little League Tournament. What should have been a time of enjoyment, however, turns sour when all of the other leagues refuse to play against them and even pull out of the program. As the only remaining Little League team in the state, Cannon Street was named state winner by default, giving the boys a legitimate spot in the Little League Baseball World Series

held in Williamsport, Pennsylvania. While the Cannon Street team is invited to the game as guests, they are not allowed to participate since they have not officially "played" and won their state's tournament. Let Them Play takes its name from the chant shouted by the spectators who attended the World Series final. Author Margot Theis Raven recounts the inspiring tales of the Cannon Street All-Stars as they arrived in Williamsport, PA and never got the chance to play for the title thanks to the bigotry and ignorance of the South Carolina teams. Winning by forfeit, the Cannon Streeters were subsequently not allowed to participate in Williamsburg because they had not "played" their way into the tournament. Let Them Play is an important civil rights story in American history with an even more important

A developmental psychologist argues that children who are freed to follow their own interests through self-directed play will become better learners and achievers than the way they learn in modern school, which he says shows them that learning is work and not fun. 15,000 first printing.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything

One day I woke up and realized that I had been lost for quite some time. I had got comfortable with how life was treating me. I no longer cared about how I presented myself, stuck between life and death, you know Purgatory. The real me had left long ago and the figure that I saw before me was just a shell that protects me until I could be found again. I had everything a woman could ask for and more yet somehow and someday I forgot about myself and ended up in the purgatory of living. When I had my epiphany, I discovered some things that I should have seen all along but was too busy allowing life to consume me that I didn't care to pay attention. You know, taking care of kids, husband, family,

work, friends and oh yeah, then me if I'm not too tired.... Me!  
One day I found myself on the outside of the milk carton...  
Lost, hanging in the purgatory of living. It was the shock of  
my life yet not a shock for everyone else. Most often others  
can see what's going on in your life even when you cannot  
(or you think you do). Don't let that to happen to you or to  
allow it to continue. You can step out of the purgatory of  
living and into a new beginning. It could be easier than you  
think it is. For me... I have some changing to do and the  
changing can only be done by me for me. I cannot change  
you or the rest of the world but we can help each other with  
the process of changing for the better.... TOGETHER! And  
look who we shall find! (You and me too) Let's begin... how  
did I lose myself?
