Lies of Silence is a disturbingly banal account of Belfast and Northern Ireland during the Troubles. In Moore's quietly powerful writing style, it shows the anguish and conflicts inherent in opportunities for political heroism, and the ways that they may conflict with personal values and loyalties.

Published in his 69th year, Lies of Silence shows absolutely no sign of Moore's pen mellowing with age. While that may have dismayed many at the time of publication, it ensures that the novel remains fresh, pertinent and (even if the situation in Northern Ireland is now radically different) relevant to today's reading audience.

Over his long career, Brian Moore has mastered the literary magic trick of making the weighty seem graceful, making the dense and complex seem effortless and unadorned. One hopes that "Lies of Silence" will inspire more readers to discover Mr. Moore 's earlier work, to experience the range and agility of this fine writer's sleight of hand.

Brian Moore attempts to end Lies of Silence with a bang but it falls flat instead as the build-up to it was half-assed. I definitely felt the author rush to finish the novel, probably because he had no idea where it was supposed to go after the incident at the hotel, leaving the "shocking" last sentence dry and cliché.

Lies of Silence was short-listed for the Booker Prize in 1990. Lies of Silence is an exciting novel because it is full of suspense, which derives from the fact that the dilemma faced by the main character, Dillon, has both personal and political

Shortlisted for the Man Booker Prize: An unhappy marriage is further shaken when IRA terrorists invade the couple's home in this "first rate" thriller (The New York Times). Michael Dillon, a self-described "poet in a business suit," is a once-aspiring writer in Belfast whose dreams have been consumed by a stultifying career as a hotel manager and a hateful marriage to his unstable wife, Moira. But

on the day he decides to leave Moira for his younger lover and take off for London, IRA terrorists break into the Dillon home. Their plan is simple: They'll hold Moira hostage while Michael plants a bomb designed to kill a rabble-rousing Protestant and his flock convening for a political rally. If Michael goes to the police, Moira dies. It's only the first choice of many—because in Brian Moore's “breathtakingly constructed” nightmare, the day has just begun (Los Angeles Times). “The plot [is] one that only a spoiler would reveal—and risk ruining the surprises that detonate throughout the novel like cleverly hidden and elegantly designed incendiary devices. The notion of ‘unbearable suspense’ is, of course, a cliché, but I found that I kept briefly putting down the novel to postpone the moment when I had to face what might happen next.” —Francine Prose, *The New*

Michael Dillon faces an agonising dilemma. Whatever he decides, someone will pay the price. The question is; whose life does the value the most?

When Father Paul Michel, a missionary on the desperately poor Caribbean island of Ganae, plucks a black child from abject poverty, he does not expect the boy to become a charismatic Catholic priest and outspoken revolutionary. Jeannot, as Father Paul calls him, is a messianic orator who bravely urges his black brethren to rise against their oppressors. At odds with the Vatican in Rome, he is expelled from his order only to emerge as the first

democratically elected president of the volatile Ganae. Antagonising the mulatto elite and the ruling military junta, Jeannot discovers his enemies will stop at nothing - assassination, arson, brutal repression - to destroy him. Even Father Paul, who tells this story, is unsure whether Jeannot is saint or tyrant. In this deeply unsettling novel, Brian Moore weighs immortal souls against mortal misery.

The hunt is on for an elusive Nazi war criminal in this “absorbing intellectual thriller that keeps you guessing . . . until the final page” (The New York Times). For four decades Pierre Brossard has eluded capture as one of the most vicious SS officers in history. Condemned to death in absentia he’s tenuously protected by an intricate web of Nazi collaborators and an extreme right-wing faction of the Catholic Church. With nothing more than

a suitcase and a prayer, Brossard seeks refuge in a monastery outside Salon-de-Provence. He knows the Committee for Justice is closing in. With every reason to fear his days are numbered, he realizes only one man can help him get away with murder: Commissaire Vionnet, a retired police chief who, forty years earlier, allowed Brossard to escape. But two other men are collaborating as well: a hired assassin known only as T, and Cardinal Primate Delavigne, reformist of the postwar church. He's as unstoppable as T, as ruthless as Brossard, and he can't wait to play this game to its unpredictable end. "An exciting, classic novel of hunter and hunted" inspired by a true story, *The Statement* was made into an award-winning film starring Michael Caine, Tilda Swinton, and Alan Bates (*The Washington Post*).

Not so long ago James Mangan was a brilliant young poet. These days, however, he toils as a journalist and shivers in the shadow of his glamorous movie-star wife. And now she has left him for her lover. Adrift and depressed, Jamie takes refuge with his father, in whose house he turns up a 19th-century daguerreotype bearing the initials “J.M.” and depicting a man who, as it happens, is Jamie’s spitting image. Could this be the only existing photograph of his purported ancestor, the legendarily dissolute Irish poet James Clarence Mangan? Obsessed by this strange resemblance—and aided by an unexpected financial windfall—Jamie heads to Ireland thinking at last to discover that elusive entity: himself. Instead, in the dreary coastal village of Drishane, he meets the Mangans: derelict Eileen, sullen Dinny, drunken (and shrunken) Conor, and the sexy and very available Kathleen. They

know something, for sure—something to do with Jamie, and something they don't want him to find out. The Mangan Inheritance is melodrama at its most inventive and suggestive, an inquiry into the problem of identity and the nature of ancestry that beguiles the reader with dark deeds, wild humor, and weird goings-on, on its way towards a shocking and terrifying—and utterly satisfying—conclusion.

A day in the life of a mad housewife in Manhattan: “One of the truest and most awesome books I have ever read” (The Scotsman). She was born Mary Dunne. currently, Mrs. Terence Lavery—wife of the esteemed playwright. No wonder Mary Dunne forgot her name this morning at the hairdresser. She has no idea who she is anymore. Or maybe she's just crazy. She's curious to find out. Over the course of a single day, Mary tries to recall more than her name. But as memories of her past come trickling back—infuriating, illuminating, and grievous—she realizes there's so much she'd prefer to forget. As she tries to escape what she calls “the dooms,” Mary must confront what she's done with her life—deliberately, haplessly, or by default. If only she were going crazy; it would be so much easier to explain it all away. Hailed by the *Globe and Mail* as a “feminist novel written before the wave of feminist novels began,” *I Am Mary Dunne* is “as complex and satisfying as anything Moore has yet done” (*The Observer*).

The Lonely Passion of Judith Hearne is an unflinching and deeply sympathetic portrait of a woman destroyed by self and circumstance. First published in 1955, it marked Brian Moore as a major figure in English literature (he would go on to be short-listed three times for the Booker Prize) and established him as an astute chronicler of the human soul. Judith Hearne is an unmarried woman of a certain age who has come down in society. She has few skills and is full of the prejudices and pieties of her genteel Belfast upbringing. But Judith has a secret life. And she is just one heartbreak away from revealing it to the world.
