Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

"A publisher in New York asked me to write down what I know about the Greek gods, and I was like, Can we do this anonymously? Because I don't need the Olympians mad at me again. But if it helps you to know your Greek gods, and survive an encounter with them if they ever show up in your face, then I guess writing all this down will be my good deed for the week." So begins Percy Jackson's Greek Gods, in which the son of Poseidon adds his own magic--and sarcastic asides--to the classics. He explains how the world was created, then gives readers his personal take on a who's who of ancients, from Apollo to Zeus. Percy does not hold back. "If you like horror shows, blood baths, lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." Dramatic full-color illustrations throughout by Caldecott Honoree John Rocco make this volume--a must for home, library, and classroom shelves--as stunning as it is entertaining.

You've read the book. You've seen the movie. Now submerge yourself in the thrilling, stunning, and action-packed graphic novel. Mythological monsters and the gods of Mount Olympus seem to be walking out of the pages of twelve-year-old Percy Jackson's textbooks and into his life. And worse, he's angered a few of them. Zeus's master lightning bolt has been stolen, and Percy is the prime suspect. Now, he and his friends have just ten days to find and return Zeus's stolen property and bring peace to a warring Mount Olympus. Series creator Rick Riordan joins forces with some of the biggest names in the comic book industry to tell the story of a boy who must unravel a treachery more powerful than the gods themselves.

Forbidden to make images, fourteen-year-old Tao, the boy with the bad foot, yearns to be a cave painter, recording the figures of the mammals, rhinos, bison, and other animals of his prehistoric times.

Offers activities, strategies, and creative ideas for using nonsense rhymes, songs, chants, and folk literature to promote thinking, reading, and listening skills in young learners.

The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist--books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." --The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." --USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Save both time and money with the downloadable version of Prestwick House Teaching Units! Our aim is to save you time and energy while alleviating the frustration.

Word Nerds takes you inside classrooms at a high-poverty urban school and shows how two teachers implement creative, flexible vocabulary instruction that improves their students' word knowledge and confidence, enhances classroom community, and increases achievement. Leslie Montgomery and Margot Holmes Smith weave vocabulary into each school day using multisensory instruction that includes music, art, literature, movement, games, drama, writing, test-taking skills, and technology. Along the way, they turn every student into a lover of language. With support from literacy specialist Brenda Overturf, Leslie and Margot have developed a five-part plan--introducing new words in context, adding related synonyms and antonyms, engaging students in several days of active learning, celebrating new words, and assessing vocabulary development--that teaches all students to learn and love vocabulary. This easy-to-read reference explains how to plan, teach, and assess based on the latest research in vocabulary instruction and learning. Forget copying definitions from the dictionary and completing boring worksheets! Word mastery comes from intimate knowledge of language. From prediction to practice to performance, students from all backgrounds can discover how to make words their own. After incorporating Leslie's and Margot's vocabulary plan into your daily instruction, you and your students can become word nerds, too!

First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.
