LinkedIn Marketing Workbook 2016How to Use LinkedIn for Business A best-selling LinkedIn marketing book from a best-selling author on Internet marketing: Jason McDonald LinkedIn is the world's largest business-to-business social media, with over 350 million users and climbing. Your customers are on LinkedIn, your competitors are on LinkedIn, your business connections are on LinkedIn, and people are even in 'learning mode' about your industry on LinkedIn. Small businesses and large businesses - especially those that sell business-to-business - can leverage LinkedIn for amazing free marketing opportunities If you know how... you can market on LinkedIn effectively With up-to-date information on how to market via LinkedIn, the LinkedIn Marketing Workbook includes SOCIAL MEDIA MARKETING - an easy explanation of what social media marketing really is, and how to "think" about social media marketing. LINKEDIN MARKETING STEP-BY-STEP - an explanation of how LinkedIn works as a marketing tool, how to research your competition on LinkedIn, how to set up and optimize your personal profile (and that of your employees) on LinkedIn as well as set up and use a business LinkedIn page, and more. POSTING STRATEGY - creating great content is the first step, and knowing how to post it is the second. The LINKEDIN MARKETING WORKBOOK explains how to find other people's content to share and how to create your own content, both at the profile and page level. FREE LINKEDIN TOOLS - as part of Jason's SOCIAL MEDIA TOOLBOOK, you get complete access to not only FREE LinkedIn tools but hundreds of FREE social media tools as well - a \$29.99 value! LinkedIn Marketing Worksheets This isn't a fancy book. This isn't a pie-in-the-sky book. This is a practical hands-on book, with links not only to free tools but to step-by-step worksheets. By the end of the book, you'll have a LinkedIn marketing plan ready for yourself, your employees, and your business. Other great books like 'LinkedIn for Dummies,' 'LinkedIn Marketing,' or 'LinkedIn an Hour a Day' are great, but they don't have the kind of hands-on, practical worksheets that the LINKEDIN MARKETING WORKBOOK offers, plus access to free LinkedIn tools. So consider 'LinkedIn for Dummies,' and other books on 'LinkedIn for business' and you'll be back. Got questions? Just Google Jason McDonald and send him an email - he's happy to help. About the Author Author Jason McDonald has been active on the Internet since 1994 and has taught SEO, AdWords, and Social Media since 2009 - online, at Stanford University Continuing Studies, at both AcademyX and the Bay Area Video Coalition in San Francisco, at workshops, and in corporate trainings across these United States. His passion is to take complex marketing topics such as social media marketing and make them easy-to-understand for small business owners and marketers. His style is practical, hands-on, and fun. He received his Ph.D. in 1992 from the University of California, Berkeley, and his B.A. from Harvard University in 1985. When he's not surfing the Internet, Jason can be found being trained by his black Lab, Buddy, across the highways and byways of the San Francisco Bay Area.

A step-by-step guide for succeeding on the for ''business'' social media network LinkedIn Marketing: An Hour a Day helps you create, customize, and optimize a presence on LinkedIn, the world's largest social network for professionals. In this detailed, step-by-step book, LinkedIn expert Viveka von Rosen reveals how to use this powerful platform to ensure that you or your company get noticed by the right audience. Discover previously undocumented tips and tricks for community growth and management, including how to best use Groups, events, and other LinkedIn features and applications. Offers a complete resource for anyone who wants to market and recruit on the world's largest professional network Features hands-on tutorials, case studies, examples, tips, and tactics Reveals how to monitor and maintain a vibrant LinkedIn presence Includes effective tactics for recruiters, job seekers, and entrepreneurs, as well as legal, real estate, and nonprofit professionals Incorporates an exploration of the LinkedIn advertising platform, API, and mobile platform This soup-to-nuts guidebook for tackling every stage of the LinkedIn process ensures your online presence will get noticed.

A step-by-step system of how Network Marketers, Direct Sales Associates, and Multi-Level Marketers can utilize LinkedIn to grow their businesses, leads, teams, and bank accounts.

Updated Fall, 2019 Edition of the SOCIAL MEDIA MARKETING book! Learn Social Media Marketing for business step by step in this new, 2019 book on social media by Jason McDonald. Used in his classes at Stanford Continuing Studies, the Social Media Marketing Workbook has become a beloved classic among small business owners and marketing managers. Why? The reason is that this is one of the best selling social media marketing books, one that lays it out clearly step-by-step. The book begins with content marketing, proceeds through each major platform (such as Facebook, Twitter, LinkedIn, Instagram, and YouTube) and helps you to make a plan for how to market a business on social media. The book is based on an analogy - that social media is like a party and that you are the 'party thrower.' You need content just as you'd need food and entertainment, you need a promotion strategy just as you'd need invitations, and you need a systematic understanding of each social platform, just as you'd need a lot of technical knowledge to throw a great wedding or a great corporate meet-and-greet. Indeed, you'll be throwing a 'party with a purpose, ' using social media marketing to build your brand and ultimately sell more stuff. Compare the Social Media Marketing Workbook to other books out there on the topic. It plays well with Social Media Marketing for Dummies, for example, and is an excellent companion to more conceptual books like Crushing It or Building a StoryBrand. It's the perspiration to their inspiration. It's the zig to their zag, and it's a book that gives you more than 500 social media marketing tips. It provides practical, hands-on knowledge for 2018 and 2019. Got questions? Just Google the author, Jason McDonald, and send him a quick email or message. The book includes massive links, videos, resources, and an amazing companion toolbox with free social media tools. It's a must buy book.

Rules for Mavericks: A Manifesto for Dissident Creatives by Phil Beadle is a guidebook to leading a creative life, to being a renaissance dilettante, to infesting your art form with other art forms, to taking a stand against mediocrity, to rejecting bloodless orthodoxies, to embracing your own pretension and, most of all, to dealing with your failure(s). 'If you make any stand against power, then power will stand against and on you. And it will do so with centuries of experience and techniques in how to do so effectively: you will be painted as barbaric, dismissed as stupid and insane, be told to know your place. Most of all, you will be termed maverick.' This genre-flouting manifesto is written by someone who has achieved and has failed in more than one field. As a Guardian columnist, award-winning teacher, award-winning broadcaster, author, editor, singer, songwriter, producer and public speaker, Phil Beadle knows a bit about leading a life producing good work across a variety of platforms. In this elegantly written book he glides and riffs around the idea of maverick nature, examines the processes of producing good work in creative fields and broaches the techniques that orthodoxies use to silence dissident voices. It is a 'how to dream' book, a 'how to create' book, a 'how to work' book and a 'how to fail productively' book; it is an examination of the many accusations that any dissident creative will face over a long career stirring things up, a guide to dealing with these with grace and a study in how to make creativity work for you. Rules for Mavericks is for anyone who wants to live and work more creatively and successfully. Contents include: Introduction: 'maverick nature', 1 Rules, 2 Starting off, 3 Failure, 4 Creativity and the process of production, 5 Work, 6 The realm(s) of appearance, 7 Performance, 8 Change, 9 Renaissance dilettantism, 10 Writing (and reading too), 11 On being reviewed.
