Meet Willy!* **Living With A Willy** Living with a Willy is about what it's really like to be a willy owner. It's about your body and what happens to it. Real things, stuff like what it feels like to stand in the shower next to someone who's only two weeks older than you, but seems to be in possession of a member several sizes bigger. This book isn't going to teach you a lot of long Latin words ending in m, but it might just help you understand what it really means to own a daft tuft of flesh shaped like a chipolata.

Living With a Willy

Alcoholism, major depression, debilitating shyness or extreme anxiety may all lead to personal failings and even moral wrongdoing that we can neither explain nor ignore. How are we to deal with these failings in our own pasts? How should we think about 'agency' or responsibility in other people who suffer from such difficulties? What does morality require of us in living with these people? In this original and eloquent work, Norman C. Care addresses these questions from both theoretical and personal perspectives, just as John Rawls's A Theory of Justice offered a set of principles by which the members of a society might reconcile themselves to their own and others' failings. Along the way, Care challenges the idea that individuals are masters of their own fate, discusses the 'persona moralism' that enables us to blame ourselves and others, and considers in a positive way the famous twelve-step Alcoholics Anonymous program, interesting because it acknowledges that 'recovery' may not occur for some alcoholics who attempt to follow it. Living with One's Past will be of interest not only to philosophers, psychologists, health-care and social service providers, but also to anyone whose life has been affected by his or her own or others' moral failings.

"Willy Vlautin is not known for happy endings, but there's something here that defies the downward pull. In the end, Lynette is pure life force: fierce and canny and blazing through a city that no longer has space for her, and it's all Portland's loss."--Portland Monthly Magazine Award-winning author Willy Vlautin explores the impact of trickle-down greed and opportunism of gentrification on ordinary lives in this scorching novel that captures the plight of a young woman pushed to the edge as she fights to secure a stable future for herself and her family. Barely thirty, Lynette is exhausted. Saddled with bad credit and juggling multiple jobs, some illegally, she's been diligently working to buy the house she lives in with her mother and developmentally disabled brother Kenny. Portland's housing prices have nearly quadrupled in fifteen years, and the owner is giving them a good deal. Lynette knows it's their last best chance to own their own home-and obtain the security they've never had. While she has enough for the down payment, she needs her mother to cover the rest of the asking price. But a week before they're set to sign the loan papers, her mother gets cold feet and reneges on her promise, pushing Lynette to her limits to find the money they need. Set over two days and two nights, The Night Always Comes follows Lynette's frantic search-an odyssey of hope and anguish that will bring her face to face with greedy rich men and ambitious hustlers, those benefiting and those left behind by a city in the throes of a transformative boom. As her desperation builds and her pleas for help go unanswered, Lynette makes a dangerous choice that sets her on a precarious, frenzied spiral. In trying to save her family's future, she is plunged into the darkness of her past, and forced to confront the reality of her life. A heart wrenching portrait of a woman hungry for security and a home in a rapidly changing city, The Night Always Comes raises the difficult questions we are often too afraid to ask ourselves: What is the price of gentrification, and how far are we really prepared to go to achieve the American Dream? Is the American dream even attainable for those living at the edges? Or for too many of us, is it only a hollow promise?

'The night it happened I was drunk, almost passed out, and I swear to God a bird came flying through my motel room window . . .' Narrated by Frank Flannigan, The Motel Life tells the story of how he and his brother Jerry Lee take to the road in a bid to escape the hit-and-run accident which kick-starts the narrative. Written with huge compassion, and an eye for the small details of life, it has become one of the most talked about debuts of recent years. 'That rare beast: a book with the cadence of an old, well-loved song. Sad, haunting, and strangely beautiful.' John Connolly, author of The Black Angel 'A serene and assured piece of minor-key Americana . . . Not many people do anything similar over here, with the same sense of small town big-sky melancholy. So British readers looking for a shot of post-Bear generation blues should reach with confidence for Vlautin's book.' Jonathan Gibbs, Independent

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race-the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

Chuck's a cat with a great life-until Katie goes away to college and his best friend moves. Left all alone, Chuck starts to venture farther and farther into the neighborhood and one fateful night finds himself face-to-face with a beast as big and black as death. His name is Rotten Willy-and he's a dog with a heart of gold.

Willy Loman has been a salesman all his life, but at sixty he is forced to take stock of his life and face its futility and failure. His predicament gives him heroic stature in this modern-day tragedy.

TRAPPED IN HER HOME ... Comms and IT expert, Kat Foster, has been afraid to go outside since her fianc\u00e9 robbed her and bailed. Why can't she love a guy who cares enough to stick around? Someone other than sexy, don't-think-about-tomorrow, Navy SEAL explosions expert, Willy Handly. Willy doesn't stick, he loves and leaves. CONVINCED SMART GIRL TO JOIN TEAM ... Terrorists may have snatched Navy Admiral Collins. Where and why are questions that need answering and fast. Willy believes sexy Kat Foster is the perfect geek girl to join the SEAL EXTREME team to solve the dangerous puzzles. She says they're not compatible. He wants to prove her wrong. ESCAPE THE DEADLY TRAPS ... Crawling through Saudi caves, the team locates the terrorists and the mission goes deadly wrong. Stuck in his own explosive trap, Willy won't get out alive unless he trusts what he's never acknowledged-his feelings. Willy has never had any reason to live for tomorrow...until Kat wants to rescue him. SEAL EXTREME TEAM Series Coming in Hot (Book 1) Lock and Load (Book 2) Under the Radar (Book 3) Bring the Heat (Book 4) Willy's Special (Book 5) Down and Dirty (short story) Spinoff: The Guardian

Jim Pike, the disillusioned manager of a hotel that is hosting a Star Trek convention, finds himself leading a ragtag crew of survivors as a strange virus turns the convention-goers into zombies.
