Offering readers key women's writings from the eighth century to the present, this global and multicultural anthology includes selections written in English by women from Great Britain and the U.S. as well as Australia, Canada, the Caribbean, Croatia, Ghana, India, New Zealand, Nigeria, South Africa. Organized thematically, the anthology emphasizes five important topics for women writers finding a voice, writing the body, rethinking the maternal, identity and difference, and resistance and transformation. Pivotal works of feminist theory by Woolf, Cixous, Showalter, hooks, Trinh, and others are also included. For those interested in women's literature.

This insightful and elegantly written book examines how the popular media of the Victorian era sustained and transformed the reputations of Romantic writers. Tom Mole provides a new reception history of Lord Byron, Felicia Hemans, Sir Walter Scott, Percy Bysshe Shelley, and William Wordsworth—one that moves beyond the punctual historicism of much recent criticism and the narrow horizons of previous reception histories. He attends instead to the material artifacts and cultural practices that remediated Romantic writers and their works amid shifting understandings of history, memory, and media. Mole scrutinizes Victorian efforts to canonize and commodify Romantic writers in a changed media ecology. He shows how illustrated books renovated Romantic writing, how preachers incorporated irreligious Romantics into their sermons, how new statues and memorials integrated Romantic writers into an emerging national pantheon, and how anthologies mediated their works to new generations. This ambitious study investigates a wide range of material objects Victorians made in response to Romantic writing—such as photographs, postcards, books, and collectibles—that in turn remade the public 's understanding of Romantic writers. Shedding new light on how Romantic authors were posthumously recruited to address later cultural concerns, *What the Victorians Made of Romanticism* reveals new histories of appropriation, remediation, and renewal that resonate in our own moment of media change, when once again the cultural products of the past seem in danger of being forgotten if they are not reimagined for new audiences.

Divided into three parts, this brief, chronologically-organized, fully-integrated drama anthology offers a global emphasis and extensive critical and historical material of 23 indispensable plays. KEY TOPICS: No other anthology offers such a richly varied selection from the traditional Western canon, Asia, Africa, Latin America, and the Caribbean. This anthology contains many examples of rituals, ceremonies, and folk customs. The role of the storyteller is examined and chronicled to illustrate the impulses that have prompted humans to create theater. Center Stage Essays present dramatic descriptions of special performances, in many cases, the first performance of a well-known play. Spotlight Essays identify and discuss the wide variety of staging conventions of particular theaters. Forum Essays present important critical documents by critics, theoreticians, and theater artists. Lavish maps and annotated timelines familiarize the reader with different cultures and periods. Each play is introduced by a thorough headnote; each includes in-depth biographical information about the playwright and the historical context of the play. Photographs and illustrations help the reader visualize the performance of the play they are reading. MARKET: For anyone interested in drama and theater.

The Longman Anthology is designed to open up the horizons of world literature, placing major works within their cultural contexts and fostering connections and conversations between eras as well as regions.

The Longman Anthology is designed to open up the horizons of world literature, placing major works within their cultural contexts and fostering connections and conversations between eras as well as regions.

This volume samples a broad range of literatures from the ancient world. It offers extensive selections from The Bible , The Book of Songs , The Mahabharata , The Ramayana , and Virgil's Aenid , as well as seven longer works in their entirety, including The Epic of Gilgamesh and The Odyssey . Editorial essays address such topics as the culture of Rome and the definition of "literature." Throughout the volume, the editors identify both what is most distinctive and what is commonly shared among the world's literatures. Annotation ©2004 Book News, Inc., Portland, OR (booknews.com).

This major new poetry anthology blends the best selections from the poetic tradition with a wide range of contemporary works, thematic casebooks, and engaging essays that contextualize poetry century by century. Featuring a breathtaking scope of poetry from the English-speaking world, this diverse collection brings unparalleled historical and cultural background to the study of poetry including discussions of the poetic conventions of the time and the poetic "fingerprints" of particular poets. Introductions by respected scholars provide historical context and thematic casebooks provide insight into key literary movements to demonstrate to students how to write effectively about poetry.

What does it mean to study English Literature? Have you navigated and get the most from your degree? The English Literature Companion is your comprehensive introduction to, and exploration of, the discipline of English and Literary Studies. It is your advisor on key decisions, and your one-stop reference source throughout the course. It combines: - A wide-ranging introduction to the nature, breadth and key components of the study of English Literature - Essays by experts in the field on key topics, periods and critical approaches - A glossary of critical terms and a chronology of literary history - Guidance about study skills, from using your time effectively to the practical mechanics of writing essays - Extensive signposting to wider reading and further sources of information - Advice on key decisions taken during a degree and on subsequent career direction and further study. Giving you the foundation and resources you need for success in English Literature, this book is essential pre-course reading and will be an invaluable reference resource throughout your degree.

In this practical resource, Mary Dilg helps teachers understand and enjoy working with students from different cultural backgrounds. Focusing on the special needs of adolescents and drawing on over 25 years of experience teaching in urban schools across the U.S., Dilg recommends ways of thinking about curriculum and pedagogy that will enable both teachers and students to thrive in the multicultural classroom.

Teachers often complain that students find poetry difficult and intimidating. Some undergraduate students arrive at university with little or no interest in poetry. They confess that they do not know how to read it and therefore cannot understand or appreciate it. The distinctive features of poetry create some problems for the learner of English language, yet, if taught properly, poetry can be an effective tool in urging students to learn the language.
