Macmillan English Dictionary for Advanced Learners, also known as MEDAL, was first published in 2002 by Macmillan Education. MEDAL is an advanced learner's dictionary and shares most of the features of this type of dictionary: it provides definitions in simple language, using a controlled defining vocabulary; most words have example sentences to illustrate how they are typically used; and information is given about how words combine grammatically or in collocations.

The Macmillan Essential Dictionary is an essential reference for the classroom and home, offering invaluable support for those wishing to write and speak English accurately.

This is a two-colour dictionary for intermediate learners. The 3500 most important words to learn are highlighted in red and graded fr frequency of use.

Provides an illustrated reference tool for young readers, enhanced with more than 3,200 images, a map of the universe, weights and measures, countries and their flags, and more.

The Macmillan Australian Primary Dictionary is designed as a school student's first dictionary. It has been specifically written for Australian students aged 6 to 10 years, and is the essential companion for them at the start of their language education. This second edition has been thoroughly revised and updated, with new words and definitions reflecting our changing modern world. Features of the Macmillan Australian Primary Dictionary:· more than 4500 words and phrases· updated with new words and definitions· clear definitions· example sentences and phrases· vocabulary extension· usage notes · spelling tips· easy-to-use pronunciation guide· valuable appendixes
