that is at once a tale of erotic obsession, an exploration of the conflict between reason and superstition, an astonishing act of literary legerdemain, and the story of the birth of a new faith.

In his prologue, John Fowles tells us that *A Maggot* began as a vision he had of five travellers riding with mysterious purpose through remote countryside. This image gives way to another - a hanging corpse with violets stuffed in its mouth - which leads us into a maze of beguiling paths and wrong turnings, disappearances and revelations, unaccountable motives and cryptic deeds, as this compelling mystery swerves towards a startling vision at its centre.

The Ebony Tower, comprising a novella, three stories, and a translation of a medieval French tale, echoes themes from John Fowles's internationally celebrated novels as it probes the fitful relations between love and hate, pleasure and pain, fantasy and reality.

Here, for the first time, is a riveting collection of Fowles's fugitive and intensely personal writings composed since 1963, ranging from essays and literary criticism to commentaries, autobiographical statements, memoirs and musings. *Wormholes* is a delicious sampling of the various matters that have plagued, preoccupied, or delighted Fowles throughout his life; it is a rich mine of essays as art and a 'geography' of the mind of one of the twentieth century's greatest novelists.

The Magus is the story of Nicholas Urfe, a young Englishman who accepts a teaching assignment on a remote Greek island. There his friendship with a local millionaire evolves into a deadly game, one in which reality and fantasy are deliberately manipulated, and Nicholas must fight for his sanity and his very survival.
