emphasis on application. It offers new information on the changing nature of communication through technology. Focus is also placed on ethics to reflect the importance of this topic, especially with the current economic situation. This includes all new ethics boxes throughout the chapters. An updated discussion on the numerous legal law changes over the last few years is included as well. Managers will be able to think critically and make sound decisions using this book because the concepts are backed by many applications, exercises, and cases.

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary

and engaging. The text also introduces two brand new key features 'Finding the Leader in You' and 'Taking it Online'. 'Finding the Leader in You', discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The 'Taking it Online' feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.

This new edition introduces the essentials of management as they apply within the contemporary work environment. It pays particular attention to cultural diversity, the global economy, ethical behaviour, and social responsibility.
