Whitecotton, Managerial Accounting 2e and Connect present an integrated and proven solution designed to help attain course goals of student readiness and motivation, comprehension of content, and application of key concepts. Whitecotton, Managerial Accounting 2e addresses the reality of students taking the managerial accounting course: the majority of them will not become

Online Library Managerial Accounting Whitecotton

accounting majors and accountants; instead they will use accounting information in their professional lives to make business decisions. Therefore, the greatest challenges instructors have are to engage these students in the managerial accounting course, keep the students motivated throughout the course, and teach them accounting in a way that connects conceptual understanding to the real world, so students will be able to analyze and apply their managerial accounting knowledge successfully in careers as managers in the world of business. Whitecotton 2e will engage and motivate students by presenting accounting in the context of real, recognizable companies like Apple, Starbucks,

Online Library Managerial Accounting Whitecotton

and California Pizza Kitchen, then integrate those companies throughout the chapters. This will allow students to see accounting information being used to make real business decisions in companies that are part of their lives, helping them connect their learning to the real world. McGraw-Hill Connect Accounting Plus provides a complete digital solution with a robust online learning and homework management system, an integrated media-rich eBook, assignable end-of-chapter material, algorithmic functionality, and reporting capabilities. Contained within Connect Accounting is McGraw-Hill's adaptive learning system, LearnSmart, which is designed to help students learn faster, study

Online Library Managerial Accounting Whitecotton

more efficiently, and retain more knowledge for greater success. In addition, Guided Examples provide students with narrated and animated, step-by-step walkthroughs of algorithmic versions of assigned exercises.

course, keep the students motivated throughout the course, and teach them accounting in a way that connects conceptual understanding to the real world, so stude.

Builds Student Interest by engaging and motivating students by presenting accounting in the context of recognizable companies such as Starbucks, Toyota, HGTV, California Pizza Kitchen, Levi Strauss & Co., and others including Apple; Whitecotton then integrates those companies throughout the chapter discussions. Fosters Decision Making and Analytical Skills by showing students how managers use accounting

Online Library Managerial Accounting Whitecotton

Information to make business decisions in companies they know from their everyday lives. This approach helps students develop the analytical and critical thinking skills they will need to succeed in their future careers. Helps Students Become Better Problem Solvers by putting their skills to the test through robust end of chapter content, as well as Demonstration Cases and Skills Development Cases to practice their comprehension and understanding of the material. Uses Technology to Enhance Student Learning through McGraw-Hill Connect, including adaptive and interactive study features such as SmartBook, Interactive Presentations, Auto-Graded Excel Simulations, and Guided Examples,

Online Library Managerial Accounting Whitecotton Stacey Libby

The Fifth Edition of International Accounting provides an overview of the broadly defined area of international accounting, but also focuses on the accounting issues related to international business activities and foreign operations. This edition also includes substantially updated coverage of the International Accounting Standards Board (IASB) and International Financial Reporting Standards (IFRS). The unique benefits of this textbook include its up-to-date coverage of relevant material, extensive numerical examples provided in most chapters, two chapters devoted to the application of International Financial Reporting Standards (IFRS), and coverage of

Online Library Managerial Accounting Whitecotton

nontraditional but important topics such as strategic accounting issues of multinational companies, international corporate governance, and corporate social responsibility reporting.

Tag line: Teaching Managerial Accounting in the Context of Business Whitecotton 1e addresses the reality of students taking the managerial accounting course: the majority of them will not become accounting majors and accountants; instead they will use accounting information in their professional lives to make business decisions.
