different types of maps as you complete puzzles, mazes, spot the difference, colouring in and lots more. All the answers are at the back of the book and there are links to websites with even more map activities.

"Maps activity book" at Usborne Children's Books

The MAPS ACTIVITY BOOK from Big Picture Press is a delightful drawing, learning, and coloring book designed to teach kids about the wide world around them. I loved the simple designs and interspersed blue/green/tan coloration throughout, which allowed for the "readers" own imagination to really come through onto the page.

Maps Activity Book by Aleksandra Mizielinska

-- Kate Etue * Cool Mom Picks * Using the same principles and in the same series, Aleksandra Mizielinska and Daniel Mizielinski's Maps Activity Book is a little more difficult but equally rewarding. Maps & Activity Books | LeapFrog

The MAPS activity book is filled with loads of great activities, all based on encouraging children to learn and discover the different countries, continents and cultures around the world. There's a page, for example, that encourages children to colour the 50 different states of America, using only four colours, and without letting any of the colours touch — a fun, yet challenging activity that my 9-year-old really enjoyed.
