Marketing Management: A South Asian Perspective (International Edition) Edition: thirteenth by Philip Kotler Kevin Lane Keller Abraham Koshy Mithileshwar Jha and a great selection of related books, art and collectibles available now at AbeBooks.com.

For undergraduates studying Marketing Management courses Marketing Management: An Asian Perspective, 6/E continues to showcase the excellent content that Kotler has created with examples and case studies that are easily recognized. This enables students to relate to and grasp marketing concepts better.

For undergraduates studying Principles of Marketing courses. Principles of Marketing: An Asian Perspective provides a comprehensive coverage on topics of Marketing set in an Asian context. Learning is made more engaging for students and teaching more convenient for instructors.

With a view to continue the current growth momentum, excel in all phases of business, and create future leadership in Asia and across the globe, there is a felt need to develop a deep understanding of the Asian business environment, and how to create effective marketing strategies that will help growing their businesses.

This edition presents marketing management concepts in a traditional format and includes many real-world examples, emphasizing topics such as international marketing, ethics, cross-functional teams and quality. Integrating competitive rationality throughout the text, the book also covers strengthening customer relations by outshining the competition in

customer satisfaction, finding more efficient and less costly ways to deliver the same customer benefits and service, and improving general decision making implementation skills.
