When I was four and my daddy left, I cried, but I understood. He had become part of the Gone. Oney Judge is a slave. But on the plantation of Mount Vernon, the beautiful home of George and Martha Washington, she is not called a slave. She is referred to as a servant, and a house servant at that -- a position of influence and respect. When she rises to the position of personal servant to Martha Washington, her status among the household staff -- black or white -- is second to none. She is Lady Washington's closest confidante and

for all intents and purposes, a member of the family -- or so she thinks. Slowly, Oney's perception of her life with the Washingtons begins to crack as she realizes the truth: No matter what it's called, it's still slavery and she's still a slave. Oney must make a choice. Does she stay where she is -- comfortable, with this family that has loved her and nourished her and owned her since the day she was born? Or does she take her liberty -- her life -- into her own hands, and like her father, become one of the Gone? Told with immense power and compassion, *Taking Liberty* is the extraordinary true story of one young woman's struggle to take what is rightfully hers.

Cornelia Greene is fed up with gossip about her mother. Caty Littlefield Greene was once a beautiful young bride who lifted the troops' spirits at Valley Forge,

but Cornelia knows that rumors of Caty's past indiscretions hurt Nathanael Greene, Cornelia's adored father. Yet Caty claims that she's just a flirt, and that flirting is a female necessity—a woman's only means of power. Cornelia's concern with her mother's reputation abruptly fades to the background when she learns that Nathanael Greene may not be her father. As she searches for the truth, she makes unexpected discoveries that lead her to a new understanding of love and family.

In the summer of 1859, fifteen-year-old Annie travels to the Maryland farm where her father, John Brown, is secretly assembling his provisional army prior to their raid on the United States arsenal at nearby Harpers Ferry. Reprint.

Fanny McCoy has lived in fear and anger ever since that day in 1878 when a dispute

with the Hatfields over the ownership of a few pigs set her family on a path of hatred and revenge. From that day forward, along the ragged ridges of the West Virginia-Kentucky line, the Hatfields and the McCoys have operated not within the law but within mountain codes of their own making. In 1882, when Fanny's sister Roseanna runs off with young Johnse Hatfield, the hatred between the two clans explodes. As the killings, abductions, raids, and heartbreak escalate bitterly and senselessly, Fanny, the sole voice of reason, realizes that she is powerless to stop the fighting and must learn to rise above the petty natures of her family and neighbors to find her own way out of the hatred.

War is turning Juliet Bradshaw's world upside down. Her brother, Seth, rides with William Quantrill's renegade Confederate army, but he's helpless when the Yankees arrest Juliet along with the wives and sisters of Quantrill's soldiers as spies. Imprisoned in a dilapidated old house in Kansas City, Juliet is one of a handful of survivors after the building collapses, killing most of the young girls inside. When she's reunited with her brother, Juliet finds the life she had previously known is gone. Surrounded by secrets, lies, murder, and chaos, she must determine just how far she will go to protect the people and things she holds

On the night of President Abraham Lincoln's assassination, his frantic wife, Mary, calls for her best friend and confidante, Elizabeth Keckley, but the woman is mistakenly kept from her side by guards who were unaware of Mary Todd Lincoln's close friendship with the black seamstress. How did these two women--one who grew up in a wealthy Southern home and became the wife of the president of the United States, the other who was born a slave and eventually purchased her own freedom—come to be such close companions? With vivid detail and emotional power, Ann Rinaldi delves into the childhoods of these two fascinating women who became devoted friends and confidantes amid the turbulent times of the Lincoln administration.

All my life I have done what my family wanted. I have performed and made them happy. Until now. Now I have broken out on my own Sarah Tracy has spent her entire life under constant supervision, always under the thumb of one older sibling or another. Now, at eighteen it's time for her to get married, so she is sent to dinner parties, plays, teas, soirees, talks, and chaperoned walks -- always accompanied, always watched. Sarah's tired of it -- tired of being shipped around, tired of being reminded that it's time to find a suitable husband. She knows that a husband is definitely not what she wants. But the year is 1861 and it's not proper for girls of Sarah's age to be single or independent. Then Sarah sees an advertisement looking for a young woman to oversee Mount Vernon, the beloved, though now dilapidated, family home of George Washington. Intent on securing the

position, she lies to her family and her potential employer, and she becomes mistress of this decaying symbol of American freedom. And then comes the American Civil War. As battles rage around her, Sarah is determined to create a haven of peace at Mount Vernon. With consummate skills, feminine wiles, and a true sense of diplomacy, Sarah single-handedly manages to keep Mount Vernon out of the war. But while she is able to influence generals, soldiers, and even the president, she learns she doesn't hold such sway over her own heart -- as she also discovers true love. Based on a true story, this is the amazing tale of one girl's path to womanhood.

Managing your boss: Isn't that merely manipulation? Corporate cozying up? Not according to John Gabarro and John Kotter. In this handy guidebook, the

authors contend that you manage your boss for a very good reason: to do your best on the job—and thereby benefit not only yourself but also your supervisor and your entire company. Your boss depends on you for cooperation, reliability, and honesty. And you depend on him or her for links to the rest of the organization, for setting priorities, and for obtaining critical resources. By managing your boss—clarifying your own and your supervisor's strengths, weaknesses, goals, work styles, and needs—you cultivate a relationship based on mutual respect and understanding. The result? A healthy, productive bond that enables you both to excel. Gabarro and Kotter provide valuable guidelines for building this essential relationship—including strategies for determining how your boss prefers to process information and make decisions, tips for communicating mutual
