Martyn Pig blew me away. It dropped through the Chicken House letterbox in an ordinary brown envelope when Kevin was unpublished and unknown, and I read the manuscript in one sitting – I knew it was special from the very first page. Since then Kevin has gone on to great things and here, in his first book, you can see why.

Kevin Brooks erzählt einen Thriller voller atemberaubender Wendungen - Viel mehr als nur ein Krimi! Martyn Pig ist 14 Jahre alt und liebt Krimis. Sein Vater ist ein Süufer, den er schon immer gehasst hat. Umbringen wollte er ihn allerdings nie. Dennoch sieht sich Martyn plötzlich mit einem Toten konfrontiert - und spätestens als er erfährt, dass sein Vater Geld geerbt hat, richtig viel Geld, wird ihm klar, dass man ihn für einen Mörder halten wird. Zusammen mit Alex, in die Martyn heimlich verliebt ist, heckt er einen haarsträubenden Plan aus. Ein radikaler, finsterner Thriller mit einem Knalleffekt am Schluss - und zugleich das sensible Porträt eines Jungen, der mit dem Mut der Verzweiflung sein Leben selbst in die Hand nimmt.

With his father dead, Martyn has a choice. Tell the police - and become a murder suspect. Or get rid of the body and carry on. Whatever he decides, Martyn will discover that, while life is never simple, death is even tougher.

Faced with the possibility of living with a dreadful aunt, fifteen-year-old Martyn Pig decides not to tell authorities when his alcoholic father dies accidentally, instead asking a friend for her help in disposing of the body. 15,000 first printing.

Caitlin's life changes the moment she sees Lucas walking across the causeway one hot summer's day. He is the strangest, most beautiful boy she has ever seen - and when she meets him, her world comes alive.

Joe is hooked from the moment he sees Candy. What is it that catches his eye? Is it her hair, her smile, or just the way she's standing? When they chat over coffee there's an instant attraction - but can love ever be this sweet?

Late one night, two brothers learn that their sister has died in the worst way imaginable. She's found strangled, hundreds of miles from home. Ruben is the smarter of the two, with a gift for getting into other people's hearts. Cole doesn't care if he lives or dies. Together they set out to find their own answers and retrace Rachel's final journey.

A stunning edition of Kevin Brooks' celebrated novel - a truly original, powerful and emotional story from the author of The Bunker Diary. Martyn hated his dad, but he never meant for him to die. And now he has to tell the police what happened ... or hide the body. Simple, right? Not quite. One story leads to another. Secrets and lies become darker and crazier. And then everything shatters. Life is never easy, but death is even harder ...

Pale, blubbery Moo silently endures a rain of spite each day. But when he sees a murder, he must take a stand, and choose between truth and lies, weakness and strength...

I can't believe I fell for it. It was still dark when I woke up this morning. As soon as my eyes opened I knew where I was. A low-ceilinged rectangular building made entirely of whitewashed concrete. There are six little rooms along the main corridor. There are no windows. No doors. The elevator is the only way in or out. What's he going to do to me? What am I going to do? People are really quite simple, and they have simple needs. Food, water, light, space, privacy. Maybe a small measure of dignity. A bit of freedom. What happens when someone simply takes all that away?

When two of Pete's childhood classmates disappear from a carnival, he is a suspect, but his own investigation implicates other old friends he was with that evening--and a tough, knife-wielding enemy determined to keep him quiet.
