Nursing: Concepts for Interprofessional

Read Book Medical Surgical Nursing Single

Collaborative Care, 10th Edition uses a conceptual approach to provide adult health knowledge and help you develop the clinical nursing judgment skills that today's medical-surgical nurses need to deliver safe, effective care. "Iggy" emphasizes three emerging trends in nursing — interprofessional collaborative care, concept-based learning,

Read Book Medical Surgical Nursing Single

and clinical judgment and systems thinking trends that will ground you in how to think like a nurse and how to apply your knowledge in the classroom, simulation laboratory, and clinical settings. A perennial bestseller, "Iggy" also features NCLEX Exam-style Challenge and Mastery questions to prepare you for success on the NGN!

Read Book Medical Surgical Nursing Single

Consistent use of interprofessional terminology promotes interprofessional collaboration through the use of a common healthcare language, instead of using isolated nursing-specific diagnostic language.

UNIQUE! Enhanced conceptual approach to learning integrates nursing concepts and exemplars, providing a foundation in

practice! Medical-Surgical Nursing:
Concepts for Interprofessional
Collaborative Care, 10th Edition uses a
conceptual approach to provide adult health
knowledge and help you develop the clinical
nursing judgment skills that today's medical-
surgical nurses need to deliver safe, effective
care. "Iggy" emphasizes three emerging
