knowledge and lets you create an individualized, adaptive learning path and personalized training program that works. Together, this money-saving package equals success in the classroom and beyond. Package includes: Text with Audio CD and TermPlus 3.0 + LearnSmart.

Retaining its logical organization, body systems approach, and focus on word parts, word building, and word analysis; this Fourth Edition of A Short Course in Medical Terminology reflects current medical usage and is now even more concise, student-friendly, and accessible. This edition features an enhanced art and design program, a more standardized chapter structure, and a vast array of in-text and online learning resources that help students master the language of medicine as they prepare for practice in today's rapidly changing healthcare environment.

This innovative program on CD-ROM uses a competency-based, self-paced, multi-media approach to teach medical terminology in a fun and interactive way. It was designed to accompany the texts that set the standard in medical terminology education...Medical Terminology: A Body Systems Approach, 6th Edition and Medical Terminology Simplified: A Programmed Learning Approach by Body Systems, 4th Edition. But, it can also serve as a stand-alone self paced study tool.

Written in the award-winning, lighthearted Incredibly Easy! style, this book is an excellent aid to understanding and retention of medical terminology.

Acces PDF Medical Terminology Simplified 4th Edition

The first chapter focuses on key concepts of medical terminology, including common word components. Subsequent chapters cover individual body systems, providing in-depth definitions that connect words to their meanings. This Third Edition features new chapters on obstetric and mental health terms and expanded "Pump Up Your Pronunciation" charts. Two eight-page full-color inserts offer a closer look at anatomical terminology. A companion Website offers student and instructor ancillaries including a pronunciation guide with hundreds of terms, "Pump Up Your Pronunciation" study cards, practice exercises, PowerPoint presentations, and a test generator. Online Tutoring powered by Smarthinking--Online tutoring, powered by Smarthinking, gives students access to expert nursing and allied health science educators whose mission, like yours, is to achieve success. Students can access live tutoring support, critiques of written work, and other valuable tools.
