ONE OF TIME'S 100 BEST BOOKS OF THE YEAR ONE OF NPR'S BEST BOOKS OF 2019 NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2019 BY WOMAN'S DAY, NEWSDAY, PUBLISHERS WEEKLY, BUSTLE, AND BOOK RIOT! "[B]rilliant, timely, funny, heartbreaking." —Jojo Moyes, #1 New York Times bestselling author of Me Before You Bridget Jones's Diary meets Americanah in this disarmingly honest, boldly political, and truly inclusive novel that will speak to anyone who has gone looking for love and found something very different in its place. Queenie Jenkins is a twenty-five-year-old Jamaican British woman living in London, straddling two cultures and slotting neatly into neither. She works at a national newspaper, where she's constantly forced to compare herself to her white middle class peers. After a messy break up from her long-term white boyfriend, Queenie seeks comfort in all the wrong places—including several hazardous men who do a good job of occupying brain space and a bad job of affirming self-worth. As Queenie careens from one questionable decision to another, she finds herself wondering, "What are you doing? Why are you doing it? Who do you want to be?"—all of the questions today's woman must face in a world trying to answer them for her. With "fresh and honest" (Jojo Moyes) prose, Queenie is a remarkably relatable exploration of what it means to be a modern woman searching for meaning in today's world.

Delicious but never indulgent, sweet with just the right amount of bitter, Rebecca Serle's The Dinner List is a romance for our times. Bon appetit! A Bustle Book Club Selection "I have five words for Rebecca Serle's The Dinner List: wistful, delicious, romantic, magical, love." —Gabrielle Zevin, New York Times Bestselling Author of The Storied Life of A.J. Fikry and Young Jane Young "We've been waiting for an hour." That's what Audrey says. She states it with a little bit of an edge, her words just bordering on cursive. That's the thing I think first. Not: Audrey Hepburn is at my birthday dinner, but Audrey Hepburn is annoyed." At one point or another, we've all been asked to name five people, living or dead, with whom we'd like to have dinner. Why do we choose the people we do? And what if that dinner was to actually happen? These are the questions Rebecca Serle contends with in her utterly captivating novel, The Dinner List, a story imbued with the same delightful magical realism as One Day, and the life-changing romance of Me Before You. When Sabrina arrives at her thirtieth birthday dinner she finds at the table not just her best friend, but also three significant people from her past, and well, Audrey Hepburn. As the appetizers are served, wine poured, and dinner table conversation begins, it becomes clear that there's a reason these six people have been gathered together.

If the world wasn't so wrong they'd be the perfect couple. But Ronnie can set that right. He's a good boy. Everybody says so. J\EVERYONE\Cov-copy-EDI\ FICTION\AppleofmyEye-pba(alternativ.doc

Lynette Yiadom-Boakye (b.1977) is a British artist and writer acclaimed for her enigmatic portraits of fictitious people. Her paintings often allude to historic European portraiture - notably Thomas Gainsborough, Francisco de Goya, John Singer Sargent and Edouard Manet - yet in subject matter and technique her approach is decidedly contemporary. Through her focus on the depiction of imagined black characters Yiadom-Boakye's paintings raise important questions about identity and representation.This lavishly illustrated volume will accompany the first major survey of Yiadom-Boakye's work. The exhibition will bring together around eighty paintings, drawings and prints from private and public collections across Europe and the United States and will also feature new works that have never been shown before. Thematic essays will offer in-depth discussion of the development of the artist's practice since her graduation from the Royal Academy of Art, London, in 2003 and her work will be presented alongside her own writing and poetry. The publication will also seek to position Yiadom-Boakye's extraordinary creative output over the past twenty years within a wider history of portraiture and representation, with particular focus on black subjects.Yiadom-Boakye was awarded the prestigious Carnegie Prize in 2018 and was the 2012 recipient of the Pinchuk Foundation Future Generation Prize. She was shortlisted for the Turner Prize in 2013. This is the first survey of Yiadom-Boakye's work to be published and will offer the most extensive overview of the artist's work to date.

In January 2020, the United Nations launched the global consultation to mark its 75th anniversary. By September 2020, over a million people from all countries and all walks of life had taken part. Their answers provide unique insights into what the public wants at this challenging time. The key findings are contained in this publication.

"A twisted modern love story" (Parade), Tell Me Lies is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother-whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, Tell Me Lies follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the psychological insight and biting wit of Luckiest Girl Alive, and the yearning ambitions and desires of Sweetbitter, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.
