That 's exactly what I got in Meet Me at Beachcomber Bay. While I believe that this was chiefly Sam and Clemency ' s story, the author managed to surround them with a whole host of loving, crazy, and fun characters that received their own happily-ever-afters or something like them.

The heart-warming and romantic SUNDAY TIMES bestseller: the perfect escape One little mistake and nothing will ever be the same again! On the one hand, if Essie hadn't written that letter - the one that only her best friend was meant to see - then she'd still be living like an actual proper grown-up, tucked up with Paul in his picture-perfect cottage, maybe even planning their wedding... On the other hand (if her true feelings hadn't accidentally taken the internet by storm, that is) she wouldn't have moved into the attic flat on the square. She would never have met Conor. Or got to know Lucas... And she wouldn't have found herself falling in love with someone she really, really shouldn't fall in love with... 'One of my favourite writers' Katie Fforde 'The queen of witty, heart-warming, feel-good love stories' Red 'Reading Jill is always such a joy!' Veronica Henry 'Jill Mansell just gets better and better' Heat ***** 'A fab, feel-good read' Prima 'A page-turner' Look

THE SUNDAY TIMES BESTSELLER 'Gripping and incredibly comforting' Marian Keyes 'Like a little blast of sunshine - uplifting, heartwarming and supremely feelgood' Sophie Kinsella Jill's Mansell's irresistible new book is the perfect escape. A beautiful Cornish setting, a chaotic family, a woman who's had enough of romance - or has she? The trouble with secrets is that you can't guess what the consequences will be . . . Lainey has lost everything. Luckily one little fib (OK, quite a big fib) helps nail her dream job. Soon she's living in a stunning house by the sea, fending off obsessed fans for a retired - if far-from-retiring - actor and organising his charming but chaotic family. It's definitely worth the challenge of keeping her secret. At least Lainey isn't looking for love. It's time for a break from all that. And yet . . . Seth, the actor's grandson, really is rather attractive. There's growing chemistry and a definite connection between them. But how would he react if he knew she hadn't been honest with him? Lainey's not the only one with a secret, though. Seth has one of his own. And everything's about to start unravelling . . . What readers are saying about Jill Mansell: 'A fantastic read yet again, great characters, great story and as always a few happy tears' 'Completely absorbing and so addictive' 'Entertains from start to finish, and it fully deserves a 5-star rating' 'Great characters and I can't get enough of the "will they, won't they" - "should they, could they" obstacles and setbacks'

A charming, hilarious, irresistible romp of a novel that brings together nine unrelated women, each touched by the same little black dress that weaves through their lives, bringing a little magic with it. Natalie is a Bloomingdale's salesgirl mooning over her lawyer ex-boyfriend who's engaged to someone else after just two months. Felicia has been quietly in love with her boss for seventeen years and has one night to finally make the feeling mutual. Andie is a private detective who specializes in gathering evidence on cheating husbands—a skill she unfortunately learned from her own life—and lands a case that may restore her faith in true love. For these three women, as well as half a dozen others in sparkling supporting roles—a young model fresh from rural Alabama, a diva Hollywood star making her Broadway debut, an overachieving, unemployed Brown grad who starts faking a fabulous life on social media, to name just a few—everything is about to change, thanks to the dress of the season, the perfect little black number everyone wants to get their hands on . . .

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories and risk it all for a happy ending.

Hallie has a secret...doesn't everybody? Hallie doesn't have long to live. And to make things even more complicated, she's in love with a guy who's seriously out of bounds. She's never going to let him know, of course; she's just going to enjoy every remaining moment of her crush. She's also determined to spend her last months helping those who write into her *Dear Rose* column with problems of their own. Her doctors can't fix her, but maybe she can fix a few other people's dilemmas before it's too late. All our lives are full of choices, for better or worse. The amazing thing to see is how connected we all are—in ways we don't even know. On occasion, we have the chance to see the ways we change one another's lives for the better. Praise for *The Unexpected Consequences of Love*: "Mansell's tale of the stirring of love in spite of various heartbreaks and disappointments is a charming and, at times, madcap romantic comedy." - Booklist Praise for *Don't Want to Miss a Thing*: "Utterly charming from the first page, Mansell's engaging tale is as welcome and warming as a cup of tea on a rainy night." -RT Book Reviews, 4 1/2 Stars
