Le nom de Melchior signifie "Roi de Lumière" (Melchi Aor, en hébreu). Melchior est l'un des trois Rois mages, ces rois-prêtres de l'Ancienne Perse qui furent les premiers à reconnaître le Christ, ce messager de la nouvelle ère qui s'ouvrait avec sa naissance. Véritable archétype du mage pour l'ère des Poissons, il trace la voie du mage, c'est à dire celle de la compréhension de l'univers et de ses mystères tout en favorisant le bien de l'homme et le développement son épanouissement spirituel. Dans ce livré didactique, explicatif et porteur d'un message d'évolution, Jean-Luc Caradeau entraîne les lecteurs à la recherche de la Parole Perdue, leur dévoilant des aspects théoriques à nature de la magie, les symboles etc.) et pratiques (le Cercle magique, l'Occultum, le Sacramentaire etc.) de l'Art Magique que, généralement, les écrivains contemporains ignorent ou conservent précieusement secrets pour leur usage personnel.
