One of my favorites is the Melchizedek Alleluia by Roger Smith. I can ' t find it available to purchase anywhere online, but it ' s the only Mass part we do where the guitar leads the accompaniment instead of the piano. I also like the Alleluia from Marty Haugen ' s Mass of Remembrance (called " Speak, Lord " on his album). The kids really like it during our school Masses. Two other ones I ...

As the number of available priests has declined, the Sunday Mass is becoming less and less available in some parishes and dioceses. Sunday Celebrations in the Absence of a Priest addresses this growing reality by providing the appropriate ritual to be used in the celebrating community. This revised ritual edition of Sunday Celebrations in the Absence of a Priest is fully bilingual, with Spanish and English printed side by side. It includes Morning Prayer, Evening Prayer, and two appendices, Directory for Sunday Celebrations in the Absence of a Priest and Gathered in Steadfast Faith. This beautifully bound ritual book includes three ribbons and is printed in two colors. It will be a welcome addition to the sacristy or library of every parish, school, convent, and religious house.

One of the (very) few books to deal with the inner aspect of church ritual, Leadbeater's opus has become an esoteric classic.

No other source gives such an intimate portrait of this brilliant and strong minded individual, one of the four great doctors of the West and generally regarded as the most learned of the Latin fathers.

This comprehensive new resource provides richly crafted musical settings for every responsorial psalm and Gospel acclamation used in the "Lectionary for Mass

From generation to generation, many Christians have adopted the habit of praying every month through all 150 psalms—songs that form the bedrock of both corporate worship and individual devotion. Through thousands of years of memorization, recitation, and singing, the people of God have found in this book a God-centered view of reality—words that put into perspective all our emotions, conflicting desires, times of suffering, and experiences of faith and doubt. In Psalms in 30 Days, Trevin Wax has adapted a centuries-old approach to reading the psalms by providing a "Morning," "Midday" and "Evening" pattern—following the Scriptural precedent for praying three times a day. This journey through the psalms, as translated in the Christian Standard Bible® (CSB), also features other songs from the Bible, as well as written prayers from faithful Christians who have gone before us. Here is a guide to praying all the psalms every month by—three times a day—lifting your eyes above your circumstances and reminding yourself that God is the blazing center of all things. Psalms in 30 Days features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.
