The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Mercedes-Benz S-Class is an introduction to owning, driving and maintaining a Mercedes-Benz S-Class W126 Series, and a step-by-step guide to evaluating one for Page 49/57

purchase. This book includes colour photos of what to look for and what to avoid, plus a realistic assessment of running and restoration costs, as well as market values. This includes servicing costs, spare parts Page 50/57

prices, and the relative values of the various models, specifications and vehicle conditions you are likely to encounter. Written in an easy to follow, jargonfree style, this book will equip you with all you need Page 51/57

to know to buy the Mercedes S-Class of your dreams.

The Mercedes 126 S-Class of 1979-91 remains the most successful premium class

Page 52/57

saloon in the company's history and is considered by many to be one of the best cars in the world. More than quarter of a century after the last one left the factory, close to a quarter of all 126s remain Page 53/57

registered throughout the world. This book will enable you to avoid the most common pitfalls and faults that otherwise can ruin the ownership of a 'Sonderklasse'. Packed with the sort of advice only Page 54/57

normally obtainable from years of experience, it will act as your own personal marque expert. Specifications and valuations are included along with a detailed guide to buying the best car at Page 55/57

the right price, and finally, how to keep your 126 fresh and reliable. This practical and instructional manual will be a valuable addition to the bookshelf of anyone owning, or aspiring to own, a 126, and is fully Page 56/57

illustrated with 250 colour photographs.
