A riveting story of World War II and the courage of one young woman as she is drafted into Churchill's overseas spy network, aiding the French Resistance behind enemy lines and working to liberate Nazi-occupied Paris... London, 1941: In a cramped bunker in Winston Churchill's Cabinet War Rooms, underneath Westminster's Treasury building, civilian women huddle at desks, typing up confidential documents and reports. Since her parents were killed in a bombing raid, Rose Teasdale has spent more hours than usual in Room 60, working double shifts, growing accustomed to the burnt scent of the Prime Minister's cigars permeating the stale air. Winning the war is the only thing that matters, and she will gladly do her part. And when Rose's fluency in French comes to the attention of Churchill himself, it brings a rare yet dangerous opportunity. Rose is recruited for the Special Operations Executive, a secret British organization that conducts espionage in Nazi-occupied Europe. After weeks of grueling training, Rose parachutes into France with a new codename: Dragonfly. Posing as a cosmetics saleswoman in Paris, she ferries messages to and from the Resistance, knowing that the slightest misstep means capture or death. Soon Rose is assigned to a new mission with Lazare Aron, a French Resistance fighter who has watched his beloved Paris become a shell of itself, with desolate streets and buildings draped in Swastikas. Since his parents were sent to a German work camp, Lazare has dedicated himself to the cause with the same fervor as Rose. Yet Rose's very loyalty brings risks as she undertakes a high-stakes prison raid, and discovers how much she may have to sacrifice to justify Churchill's faith in her . . .

When Rowland Sinclair is invited to take his yellow Mercedes onto the Maroubra Speedway, popularly known as the Killer Track, he agrees without caution or reserve. But then people start to die... The body of a journalist covering the race is found in a House of Horrors, an English blueblood with Blackshirt affiliations is killed on the race track... and it seems that someone has Rowland in their sights. A strange young reporter preoccupied with black magic, a mysterious vagabond, an up-and-coming actor by the name of Flynn, and ruthless bookmakers all add mayhem to the mix. With danger presenting at every turn, and the brakes long since disengaged, Rowland Sinclair hurtles towards disaster with an artist, a poet and brazen sculptress along for the ride.

The one-and-only original, Earl Nightingale's Strangest Secret endorsed by Nightingale Conant. The Strangest Secret is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale's own words: "The only man who succeeds is the man who is progressively realizing a worthy ideal." In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. The Strangest Secret is a practical guide for accelerated prosperity so that you can quickly rise to the top, becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill's Think and Grow Rich that "we become what we think about," Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek.

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

A Book of Secrets is the story of a woman named Susan Charlewood living in Elizabethan England. Born in what is now Ghana, Susan is enslaved by the Portuguese but later rescued by British sailors, who bring her to England. Once in England, she is raised and educated in an English Catholic household. When Susan comes of age, the family marry her off to an older Catholic man, John Charlewood. Charlewood runs a printing press and uses it to supply the Papist nobility with illegal Catholic texts and foment rebellion amongst the Catholic underclass. When Charlewood dies, Susan takes over the business and uses her new position to find out more about her origins. A look at racial relationships on the eve of the beginning of the transatlantic slave trade, A Book of Secrets is a revealing and compelling glimpse into a fraught time.

Newbery Honor-winning author Gennifer Choldenko deftly combines humor, tragedy, fascinating historical detail, and a medical mystery in this exuberant new novel. San Francisco, 1900. The Gilded Age. A fantastic time to be alive for lots of people . . . but not thirteen-year-old Lizzie Kennedy, stuck at Miss Barstow's snobby school for girls. Lizzie's secret passion is science, an unsuitable subject for finishing-school girls. Lizzie lives to go on house calls with her physician father. On those visits to his patients, she discovers a hidden dark side of the city—a side that's full of secrets, rats, and rumors of the plague. The newspapers, her

powerful uncle, and her beloved papa all deny that the plague has reached San Francisco. So why is the heart of the city under quarantine? Why are angry mobs trying to burn Chinatown to the ground? Why is Noah, the Chinese cook's son, suddenly making Lizzie question everything she has known to be true? Ignoring the rules of race and class, Lizzie and Noah must put the pieces together in a heart-stopping race to save the people they love. Winner of a Los Angeles Public Library FOCAL (Friends of Children and Literature) Award Nominated for: Pennsylvania Young Reader's Choice Awards Tennessee Volunteer State Book Award (Middle School division) Missouri Association of School Librarians (MASL) Readers Award California Library Association's Beatty Award, Eureka List

From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." – The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.
