In addition to his work at the Seminary, he is Founder and Editor-in-Chief of White Horse Inc, home to its namesake the White Horse Inn radio show and podcast, Modern Reformation magazine, Core Christianity, and the Global Theological Initiative.

Michael S. Horton - Westminster Seminary California - Faculty

Michael Horton is a professor at Westminster California, editor of Modern Reformation Magazine and co-host of The White Horse Inn. Heretofore, I have never critiqued Horton (as best my memory serves), and until recently The White Horse Inn was on the list of P&P’s recommended resources. The title that Horton holds at Westminster is the “J. Gresham Machen Professor of Theology and Apologetics.”

Michael Horton Gets 'Woke': A Review of His Doctrinal Drift

Michael Horton's The Christian Faith is a massive and sweeping survey of Christian doctrine. It is not merely a systematic theology but also a historical and philosophical theology. The prose is literary and engaging, but the density of the material will likely not make it a “popular” work, like Grudem’s.

stylos: Book Review: Michael Horton's "The Christian Faith"

Michael Horton Thursday, 24 January 19 Many Christians oppose cremation because they believe it devalues the body that will be raised on the last day. Of course, they agree that God can raise the body in whatever form it has been cast into the ground or the water or the mountainside.

Core Christianity | Is It Ok For a Christian to Be Cremated?

Dr. Horton has taught apologetics and theology at Westminster Seminary California since 1998. In addition to his work at the Seminary, he is the president of White Horse Inn, for which he co-hosts the White Horse Inn, a nationally syndicated, weekly radio talk-show exploring issues of Reformation theology in American Christianity.

What Do All Christians Believe? For many people, words like doctrine and theology cause their eyes to glaze over, or they find them difficult to understand and struggle to see how they are relevant to daily life. But theology is far from boring—it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us. In Core Christianity, author, pastor, and theologian Mike Horton tackles the essential and basic beliefs that all Christians share. What is “core” to the Christian faith? In addition to unpacking these beliefs in a way that is easy to understand, Horton shows why they matter to our lives today. This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author, and it includes discussion questions for individual or group use. Core Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ.

Michael Horton’s highly anticipated The Christian Faith represents his magnum opus and will be viewed as one of—if not the—most important systematic theologies since Louis Berkhof wrote his in 1932. A prolific, award-winning author and theologian, Professor Horton views this volume as “doctrine that can be preached, experienced, and lived, as well as understood, clarified, and articulated.” It is written for a growing cast of pilgrims making their way together and will be especially welcomed by professors, pastors, students, and armchair theologians. Features of this volume include: (1) a brief synopsis of biblical passages that inform a particular doctrine; (2) surveys of past and current theologies with contemporary emphasis on exegetical, philosophical, practical, and theological questions; (3) substantial interaction with various Christian movements within the Protestant, Catholic and Orthodoxy traditions, as well as the hermeneutical issues raised by postmodernity; and (4) charts, sidebars, questions for discussion, and an extensive bibliography, divided into different entry levels and topics.

Is it possible that we have left Christ out of Christianity? Is the faith and practice of American Christians today more American than Christian? These are the provocative questions Michael Horton addresses in this thoughtful, insightful book. He argues that while we invoke the name of Christ, too often Christ and the Christ-centered gospel are pushed aside. The result is a message and a faith that are, in Horton's words, "trivial, sentimental, affirming, and irrelevant." This alternative "gospel" is a message of moralism, personal comfort, self-help, self-improvement, and individualistic religion. It trivializes God, making him a means to our selfish ends. Horton skillfully diagnoses the problem and points to the solution: a return to the unadulterated gospel of salvation.

Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there’s a “next-best-thing,” if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be “ordinary.” Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There’s nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What’s needed is not another program or a fresh approach to spiritual growth; it’s a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, Ordinary is not a call to do less; it’s an invitation to experience the elusive joy of the ordinary Christian life.

Building on Covenant and Eschatology: The Divine Drama, this volume is part two of a three-part project surveying essential topics of Christian theology through the lens of covenant. In Lord and Servant: A Covenant Christology, Michael Horton explores the topics that are generally grouped under the doctrines of God, humanity, and Christology. Rather than attempt a general systematic theology, Horton revisits these topics at the places where covenant and eschatology offer the most promising insight and where there is the most contemporary interest and debate.

FollowingCovenant and EschatologyandLord and Servant, this concluding volume of a four-part series examines Christian salvation from the perspective of covenant theology. InCovenant and Salvation, Michael Horton surveys law and gospel, union with Christ, and justification and theosis, conversing with both classical and contemporary viewpoints.

The 2011 award-winning publication The Christian Faith garnered wide praise as a thorough, well-informed treatment of the philosophical foundations of Christian theology, the classical elements of systematic theology, and exegesis of relevant biblical texts. Pilgrim Theology distills the distinctive benefits of this approach into a more accessible introduction designed for classroom and group study. In this book, Michael Horton guides readers through a preliminary exploration of Christian theology in “a Reformed key.” Horton reviews the biblical passages that give rise to a particular doctrine in addition to surveying past and present interpretations. Also included are sidebars showing the key distinctions readers need to grasp on a particular subject, helpful charts and tables illuminating exegetical and historical topics, and questions at the end of each chapter for individual, classroom, and small group reflection. Pilgrim Theology will help undergraduate students of theology and educated laypersons gain an understanding of the Christian tradition’s biblical and historical foundations.

John Calvin, a man adored by some and maligned by others, stands as a legendary figure in Christian history. In Calvin on the Christian Life, professor Michael Horton offers us fresh insights into the Reformer’s personal piety and practical theology by allowing Calvin to speak in his own words. Drawing not only from his Institutes and biblical commentaries, but also from lesser-known tracts, treatises, and letters, this book will deepen your understanding of Calvin’s theology and ministry by exploring the heart of his spiritual life: confident trust and unwavering joy in the sovereign grace of God. Part of the Theologians on the Christian Life series.

A challenging examination of the biblical and theological issues underlying a distinctively Christian view of worship.

In this final volume of a four-volume series, Michael Horton explores the origin, mission, and destiny of the church through the lens of covenantal theology. Arguing that the history of Israel and the covenant of grace provide the proper context for New Testament ecclesiology, Horton then shows how the church is constituted through the ascension of Christ, the Pentecost, and the Parousia and how it continues to live by the Word and sacraments. Horton's goal is to demonstrate the potential of a covenantal model for integrating the themes of the church as people and as place, with an urgent concern for contemporary practice.
