Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Exam Review for Milady Standard Esthetics: Fundamentals contains chapter-by-chapter questions in multiple-choice format to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas. The questions themselves are unique to this supplement. The Exam Review has been updated to match the contents of Milady Standard Esthetics: Fundamentals, 11e.

Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.
