What would be your ideal job if you didn't have to worry about money? Would you like to have more responsibility or less? How far would you go for a promotion? When did you last stand up for what you believe in? What are you afraid of? In this unique handbook to your own life and work, there are no right or wrong answers: only honest ones. Featuring sections on subjects everyone can relate to, from the professional (work and finance), to the personal (sex and relationships), The Question Book can be used alone, like a journal; or with a colleague, partner or friend. It will probe and enlighten on everything, including what your boss really thinks about you, whether you are in the right job, and what motivates you to get out of bed every morning. These wide-ranging questions - which provoke short 'yes or no's as well as open-ended responses that dig deeper - are pertinent, direct, and compulsively fun to answer. In The Question Book, you are under the spotlight. And only you have the answer.

Tokugawa Ieyasu founded a dynasty of rulers, organized a system of government and set in train the re-orientation of the religion of Japan so that he would take the premier place in it. Calm, capable and entirely fearless, Ieyasu deliberately brought the opposition to a head and crushed in a decisive battle, after which he made himself Shogun, despite not being from the Minamoto clan. He organized the Japanese legal and educational systems and encouraged trade with Europe (playing off the Protestant powers of Holland and England against Catholic Spain and Portugal). This book remains one of the few volumes on Tokugawa Ieyasu which draws on more material from Japanese sources than quotations from the European documents from his era and is therefore much more accurate and thorough in its examination of the life and legacy of one of the greatest Shoguns.

Mitsubishi Pajero 2000 to 2010, Petrol/Gasoline and Diesel engines including Common Rail and Turbo with World Wide Specs. This manual has over 500 pages. It has step by step instructions in every chapter. Covering both model produced the Station Wagons and tray models.

When the Stitchery Yarn Shop's matriarch drops dead in a fiery fit, estranged sisters Aubrey, Bitty and Meggie must reunite after years of separation to decide the fate of the Stitchery and the family's age-old tradition of granting wishes by stitching them into the fibers of hats, scarves and mittens. Original.
