My book is about my struggles of becoming a strong woman of faith, and how I had to over come so much of my past. I would run when trouble would come my way and I did this for years of my life until one day I just surrender to Christ. After years of tormenting myself, but in the meantime God was changing my character so I would look like Jesus. I have learn that all of my trails was to take me out of me so God could put his spirit into me.

This 15th Edition of the International Conference on Materials Degradation in Light Water Reactors focuses on subject areas critical to the safe and efficient running of nuclear reactor systems through the exchange and discussion of reseach results as well as field operating and

management experience.
