For introductory Spanish courses. This lively and practical Elementary Spanish Program combines the very best elements of contemporary approaches to language instruction, skill building, and practice of the five skills listening, speaking, reading, writing and culture. It gives students the opportunity to understand the relationship between culture and language throughout the Spanish-speaking world and to compare English and Spanish at both the cultural and linguistic levels. The new Enrique interactive section in every chapter integrates the exciting new media: The Fortunas video, the Activity CD-ROM and the website. This new edition also offers an electronic Workbook and Lab Manual, which contains all the content of the paper versions plus the audio for the Lab Manual. The electronic Workbook and Lab Manual are available through the Mosaicos Premium Companion Website or with course management - BlackBoard, WebCT or CourseCompass.

It's time to talk! ... and have a cultured conversation. Providing the truly communicative, deeply culture-focused approach instructors believe in along with the guidance and tools students need to be successful using a program with highly communicative goals—with Mosaicos, there is no need to compromise. Recognizing the primacy of the relationship between culture and language, the new Sixth Edition of Mosaicos places culture up front and center, and everywhere in-between!

The new Student Activities Manual includes both workbook and lab manual materials in a single convenient volume, with all materials for a given chapter grouped together, saving students money and simplifying navigation. The answer key with answers to all activities is available separately. The Mosaicos Workbook parallels the organization of the text and provides more reading comprehension activities, sentence building and completion exercises, fill-ins, realia and art-based activities as well as composition exercises. Instructors may choose to assign these activities as homework and use them to reinforce class lessons. Each chapter of the Mosaicos Lab Manual contains activities based on recordings of native speakers in situations thematically related to the corresponding chapters in the text. The listening material for the Lab Manual, the student audio for the in-text listening activities, and recordings of all the text's active vocabulary is contained on the Audio Program CDs or cassettes and is provided free to labs upon adoption of Mosaicos. The scripts for the audio program are provided in the Instructor's Resource Manual.
