professional. It provides the clear knowledge and a thorough understanding of the characteristics, diversity and demands of this profession. It contains all the essential ingredients, necessary for an effective protection planning and successful service, demanded by any executive protection specialist. Providing all the tools, techniques and applications needed for this specific job, it also shall motivate some talents, which may need to be developed further and to face not only today's protection needs, but also those of the future. The book not only

Online Library Mossberg Manual

contains detailed professional information for the person seeking a post in the "glamorous world" of the executive protection-business but also provides all the information necessary for those under threat and in need of close protection and a secure environment. A protection-seeking client will find detailed information about Executive Protection and Physical Security. Executive or Personal Protection, was once considered a service only and exclusive for the rich, famous and a few selected government officials. But recent events and an increase in violence,

Online Library Mossberg Manual

quickly transformed Executive Protection into a sought after service-commodity worldwide. Keeping this in mind, any part of this guide is therefore easily adaptable and adjusted to any region or country in the world. However, one must carefully consider and act within the local laws to assure a successful protection service.

This illuminating Handbook presents the state of the art in the scientific field of experience economy studies. It offers a rich and varied collection of contributions that discuss
