From celebrity life coach and motivational speaker, Tony Gaskins Jr. and his wife, Sheri, comes an essential guide with hard-hitting truths about a woman's undeniable influence on a relationship—and the power she has to change her man for the better. Tony Gaskins has inspired others by sharing his truth—drawing millions of followers online and making him one of America's foremost experts on love and relationships. Now, he and his wife explore a woman's positive impact on a relationship in this practical and accessible guide that walks you through a series of irreplaceable lessons on making personal changes that foster healthy relationships. Tony and his wife, Sheri, draw on their own relationship successes and failures as they examine the eighteen time-tested truths about how a woman's influence can shift a relationship for the better—if used correctly. Including advice for women such as “you are not a maid,” “show don't tell,” and the “72-hour rule”—where the woman makes herself totally unreachable to her partner—Tony and Sheri tackle all of today's important topics such as misogyny and the “grown boy syndrome,” while never losing the empowering and empathetic tone that Tony's loyal following has come to love and trust. Whether you are single, dating, engaged, or married, A Woman's Influence is a hopeful response to a culture where men behave badly and women are victimized all too often. By providing a vision that empowers women to know their worth and simultaneously bring out the best in men, this guidebook can help you make a lasting, positive change to your relationship.

Build your vision, work with purpose, and live the life of your dreams The Dream Chaser shows you how to step out of the day-to-day grind and start creating the life you want. Does your daily effort at work build your dream, or someone else's? Do you do your job for the paycheck or the fulfillment? It's possible to have both, and this book shows you how to get there. The key is in following your passion and purpose. You have a natural-born talent—whether you know it or not—that can make the world a better place. You have a unique story and vision that can lead you to the life you love. Purpose-minded entrepreneurs are changing the world every day, living and working with passion and excitement. This book shows you how to stay focused on your goals, build a solid hands-on strategy, leverage your talents and abilities, and build a business that benefits the world. Your ideal life is not going to appear out of the blue. You have to actively build it yourself; but first you need to realize just what you're capable of, and then you need to set yourself up for success. This guide shows you how to begin that journey of a lifetime. Follow your passion to achieve success Play to your strengths in strategy and execution Stay focused amidst distractions and obstacles Build the life and business you've always wanted Your dreams, goals, and purpose matter, and it's time to start making them a priority. When you work from a place of passion, drive and strength come from within; you become an unstoppable force, and every day is an adventure in its own way. The Dream Chaser shows you how to start living your real life, starting today.

This book is written from the heart of a man who is trying to articulate to women the things that they give up without noticing it. The intention of this book is not to tell a woman how to be a woman in a relationship, but to share some insight from a man's mind. Most often we can't see ourselves so this book will help a woman see what a man see's when she's in a relationship with him.

What Daddy Never Told His Little Girl is a stirring collection of essays & anecdotes designed to empower women of all ages. In straight-ahead, no-holds-barred fashion, author Tony Gaskins answers ten of the most often-asked questions regarding relationships between men & women. Covering everything from why men cheat to why men hit to why Black men date White women, he delivers uncomfortable - yet necessary - truths with unflinching honesty. In this updated edition of his original seminal work, Gaskins aims to provide women with the knowledge, insight, and wisdom necessary to protect themselves in an increasingly dangerous world of dishonesty and deceit. In so doing, he ensures that they'll never see men - or the dating scene - the same.

Manhood is much more complex than we've been told. What is a real man? What is the role of a man in a relationship? What are the effects of a fatherless society? What can we do about it? This book covers manhood like it's never been covered before. The time is now that men accept responsibility and become better men!--Publisher's description.

The author shares the secrets of male behaviors in courtship and love relationships. He answers questions that are frequently asked by women who genuinely want to understand. The conversational tone tempers the most serious aspects of the book with anecdotes, statistics, and spiritual expressions.

PowerPoint was the first presentation software designed for Macintosh and Windows, received the first venture capital investment ever made by Apple, then became the first significant acquisition ever made by Microsoft, who set up a new Graphics Business Unit in Silicon Valley to develop it further. Now, twenty-five years later, PowerPoint is installed on more than one billion computers, worldwide. In this book, Robert Gaskins (who invented the idea, managed its design and development, and then headed the new Microsoft group) tells the story of its first years, recounting the perils and disasters narrowly evaded as a startup, dissecting the complexities of being the first distant development group in Microsoft, and explaining decisions and insights that enabled PowerPoint to become a lasting success well beyond its original business uses.

YOU DESERVE AN AMAZING MAN! So, where is he? Does he even exist? I can tell you that he does and that he is out there, chosen by God Himself and waiting for you to experience an amazing relationship with him. But there are things to consider in order to recognize and receive this man, and that's where *The Man God Has for You: 7 Traits to Help You Determine Your Life Partner* comes in. Inside these pages is a guide not just to help you determine if the man of your interest is the right one, but also to help you get to the underlying issues that may prevent you from recognizing if he is truly the one for you. This guide will tackle 3 key points: - Address the misconception of not enough men - Give 7 essential traits to determine if the man you seek is the one God intended for you - Provide guidance on how to heal from your past and be open to the possibilities of embracing love This is not another "how to get a man" guide. This book goes deeper to remove any excess baggage, as well as assess the ways you've gone about seeking the man who is for you. A compliment to *GOD Where's My Boaz*, this dating and relationship book will help you prepare and position yourself to receive the man who is waiting to receive you. Don't get caught up in a relationship with the man God never intended you to be with...read *The Man God Has for You* now and get ready to recognize and receive the right one.

My name is Devin, but everybody calls me Sketch. I opened my own tattoo shop two years ago, and I've finally gotten to the point where I'm going to be able to give my wife everything she's ever wanted. I'm going to be able to take time off and spend a day a week with her. In fact, tonight, I stopped and grabbed some wine, got her flowers, and those chocolates she likes. What I wasn't prepared for was to be met at the front door by her carrying her sh*t out. She loves me, but she's not in love with me anymore. What kind of bullsh*t excuse is that? I've left her alone too often, I've been completely focused on one goal, and apparently she's sick of waiting. So here I stand. Half the man I was, p*ssed as f*ck, because while I was busy making a better life for us, she was under the impression I was leaving her lonely. I know one day she'll see what I've been doing has been for us, and when that day comes... She can damn well come crawling back to me.

Microsoft PowerPivot is a free add-on to Excel from Microsoft that allows users to produce new kinds of reports and analyses that were simply impossible before, and this book is the first to tackle DAX formulas, the core capability of PowerPivot, from the perspective of the Excel audience. Written by the world's foremost PowerPivot blogger and practitioner, the book's concepts and approach are introduced in a simple, step-by-step manner tailored to the learning style of Excel users everywhere. The techniques presented allow users to produce, in hours or even minutes, results that formerly would have taken entire teams weeks or months to produce. It includes lessons on the difference between calculated columns and measures; how formulas can be reused across reports of completely different shapes; how to merge disjointed sets of data into unified reports; how to make certain columns in a pivot behave as if the pivot were filtered while other columns do not; and how to create time-intelligent calculations in pivot tables such as "Year over Year" and "Moving Averages" whether they use a standard, fiscal, or a complete custom calendar. The "pattern-like" techniques and best practices contained in this book have been developed and refined over two years of onsite training with Excel users around the world, and the key lessons from those seminars costing thousands of dollars per day are now available to within the pages of this easy-to-follow guide. This updated second edition covers new features introduced with Office 2015.
