This revision guide is intended to serve as a complement to the textbook. Its aim is essentially to provide past examination questions set by the Institute of Bankers and the examiners' own answers together with past questions set at the City of London Polytechnic and other questions, with their answers. This gives the reader a wider range of topics which reflects the contents of the textbook, and permits of selectivity to meet need. It is suggested that as each textbook chapter is read, the relevant section in the Revision Guide should be attempted in order to test knowledge and understanding, thereby further enhancing the learning process. To facilitate this, the guide is set out section by section, to match the chapters in the textbook. Several sections are prefaced by introductions to bridge the gap between textbook and questions. In addition, questions are presented in succeeding order of difficulty so that readers can move from the less to the more complex at their own speed. November 1985 L. Waxman vii Passing the Examination The Banking Diploma Stage 2 Examination Finance of International Trade. The Institute of Bankers Diploma examinations take place twice yearly, in April and September. Prospective candidates who wish to prepare themselves as thoroughly as possible and who are using the associated textbook to this revision guide will find the question and answers which it contains an indispensable means of preparation for the examination paper "Finance of International Trade".

Renowned for its authoritative, comprehensive coverage of contemporary international finance, Multinational Business Finance trains the leaders of tomorrow's multinational enterprises to recognize and capitalize on the unique characteristics of global markets. Because the job of a manager is to make financial decisions that increase a firm's value, the authors have embedded real-world mini-cases throughout to apply chapter concepts to the types of situations managers of multinational firms face. The 15th Edition attempts to capture the rapid evolution of our global marketplace, taking a closer look at

the types of organizations that permeate the widespread arena, competition, and opportunities in emerging markets, and how financial leadership can integrate the strategic and financial challenges that global businesses face today.

The Ninth Edition of this market leader communicates the complexities of international finance clearly and authoritatively. The book features a streamlined presentation, expanded attention to emerging markets, several new chapters, and four new decision cases with an emerging-markets focus. An accompanying new Casebook by Michael Moffett includes in-depth decision cases keyed to the coverage in the Eiteman text. The authors have a knack for communicating the complexities of international finance to today's students in a manner that is clear and understandable. For anyone interested in business.
