Engineering GNVQs require students to take multiple choice test papers for all units. This new series of photocopiable question banks provides copious material for students to practice this style of question. The questions are presented in the form of 15 model test papers, each comprising 20 questions, as the GNVQ tests do. Answers are printed at the back of the book. The pilot GNVQ has revealed that many students found particular difficulties in tackling multiple choice style questions in science. Used flexibly for tests and practice exercises, this pack will
