When she calls upon a band of enchanted warriors to save her people from dark magic, Merewen finds a champion and lover in their leader, Gideon, but when their enemies fight back with unexpected might, she faces losing everything.

A cursed destiny. A band of warriors. And one troubled kingdom. It is whispered in Agathia that the legendary warriors of the mist—cursed by the gods—can be summoned only when a champion is needed and the cause is just. Gideon, their captain, knows this to be the one path that will lead his men to redemption—lest they face an eternity of damnation. Years have passed since anyone has journeyed to the river's edge, but times are desperate. Oppressed by a cruel guardian whose dark magic threatens to destroy her people, the beautiful and courageous Merewen calls upon the bespelled warriors. In Gideon she finds more than a champion, and in his arms, more than protection. However, their enemies are fighting with a power darker than anything than they imagined, and should Gideon fail, she will lose everything she holds dear—including her heart.

They are cursed by the gods, and war is their salvation. Love is their deliverance. For centuries, five legendary warriors have braved battles shoulder to shoulder. But now they must divide and conquer as lone champions against evil. Duncan, a scholar at

heart, is drawn to an isolated abbey rumored to hold the answers to countering the terror unleashed by Duke Keirthan. Inside the cloistered walls lies the hidden collection of forbidden lore on dark magic. But the real key to the salvation Duncan seeks—both for the people of Agathia and his soul—is the abbess herself, Lady Lavinia. Hunted by the duke, who seeks to harvest her powers, Lavinia knows Duncan wants to help her. But can she trust the tortured warrior with her secrets? In the end, it is only by joining forces that they can save not only those they are sworn to protect but each other.

The kingdom of Neroche is under attack by a mysterious magic, and as shieldmaiden Morgan of Melksham recovers from a near-fatal wound, she realizes that she must accept her true destiny as an elven princess and daughter of a black mage.

Following *Desire Untamed* and *Obsession Untamed*, *Passion Untamed* is the third book in Pamela Palmer's outstanding *Feral Warriors* series about an elite band of fierce and sexy shape-shifter warriors who are sworn to protect the world from evil. This paranormal romance features Paenther, a powerful and dangerous immortal who must trust a beautiful witch in order to survive.

Neroche's kingdom is threatened by the darkness of an evil Black Mage- and all hope lies in the legend of two magical swords. Miach, the archmage of Neroche, carries one. And he's found a Wielder for the other in Morgan, a young woman and feared mercenary herself. Now, Miach must choose between

Returning to her hometown after her father's death, Melanie Wolfe and her high school crush, Spencer Lang, a veteran trying to rebuild his life, work together to salvage the family business.

His mother was one of the most powerful wizards in the Nurian Empire until she abandoned her people to become a notorious pirate. That choice doomed the family she left behind to a life of disgrace. Yanko White Fox doesn't remember his mother, but as the only gifted child in the family, he is expected to erase the mark she left on them all. With an affinity for earth magic and communicating with animals, he's not the most natural candidate to become a warrior mage, but it's the only sure route back into the Great Chief's good graces. He has resigned himself to training for that destiny, whether it matches his passions or not. Long before he's ready for his first battle, insurrection comes to his distant corner of the empire. Rebels take over the salt mine his family manages and slay the only relative who ever supported Yanko. On the heels of the tragedy, a courier brings a message from the Great Chief's son. Whether he is prepared or not, Yanko must undertake a quest, one that could save millions of lives... or fail utterly, leaving him dead, his family forgotten, and his people the victims of starvation and endless war. *Warrior Mage* is the first novel in the now complete *Chains of Honor* epic fantasy series.

where she grew up. Driven to seek adventure, she shunned expectations for what a young woman ought to do and instead forged a different path that led her out beyond the forest she had always known. Joining the military and dreaming of command, she instead finds herself assigned to a diplomatic post where a rowdy tea party is the most action she will likely see. But D'Mique and her fellow tea partiers soon learn that a gifted seer has named them most likely to save the world.

While chaos reigned in the Eastern Lands, the Keep of Dare stood as a bastion against war and bandits and the spawn of unnatural sorceries. Then twin blows rocked the citadel: the fearsome Alketch army mounted siege, even as young Prince Tir was snatched from the heart of the Keep. Behind the terror was the depraved, hook-handed general Vair na-Chandros. He had learned that the royal child possessed forbidden wisdom: a secret with which the bloodthirsty Vair intended to conquer the world. One single man posed a threat to Vair's vaunting ambition: the legendary warrior known as the Icefalcon. Banished by his own people and scorned as a barbarian by others, only he could hope to free the boy from Vair's clutches. With his sister Cold Death--a sorcerer whose magic was as sharp as her tongue--the Icefalcon embarked on a dangerous mission of rescue and redemption. Braving nightmare demons and the endless hordes of Vair's inhuman soldiers, he shadowed Vair and his small captive beyond the reaches of the known world. And when the boy led Vair to the forgotten Keep of the Shadow at the End of Time, the Icefalcon would face his
