The NBC sets out technical provisions for the design and construction of new buildings in Canada. It also applies to the alteration, change of use, and demolition of existing buildings. The NBC is available in two volumes and comprises three divisions: A, B and C.

File Type PDF National Building Code Of Canada

Division A includes the compliance options, the objectives, and the functional statements. Division B contains the provisions, referred to as acceptable solutions, relating to such issues as fire protection, occupant safety and accessibility; structural design; environmental separation;

File Type PDF National Building Code Of Canada

heating, ventilating, and air-conditioning; plumbing services; safety measures at construction and demolition sites; and housing and small buildings. Division C contains administrative provisions. Volume 1 contains Divisions A and C along with the attribution tables of Division B.
