NMAT by GMAC™ Official Guide 2020 is a must-have book for those who want to attain a high score on the prestigious NMAT exam. It has been created by the exam conducting authority (GMAC™) and is the only source of real NMAT questions from past exams. The book steers clear of jargon and explains even the most complex concepts in a simple-to-understand language. What further differentiates this book is the various question-specific and section-specific strategies that it uses to analyze the various elements of the exam. These methods provide you invaluable skills to arrive at the correct answer and develop the ability to solve any question type, no matter how difficult. The various aspects of the key topics have been discussed with relevant examples, keeping in mind the exam Patterns of the past years' NMAT. From the makers of the GMAT and the NMAT by GMAC™ exam Official source of information about the examination format & structure Discussion of concepts of each section with relevant examples, including tips & strategies to approach and ace the exam 201 questions from past NMAT by GMAC™ exam with answer keys & explanations 475 practice questions with answer keys and explanations

A step-by-step guide to preparing for, selecting, and obtaining a medical school position. Detailed charts list the admission requirements of all U.S. and Canadian medical and Osteopathic schools. The "Must/Want" Analysis provides a way to rank both undergraduate
