The aim of this book with its detailed step-by-step colour photographs and diagrams, is to enable every owner to fix their diesel engine with ease. Troubleshooting tables help diagnose potential problems, and there is advice on regular maintenance and winterising and repair. Jean-Luc Pallas's enthusiasm for passing on his knowledge, as well as his clear explanations, precise advice and step-by-step instructions make this a unique book.

In this book leading scholars and practitioners present the latest research and theory in customer satisfaction and services marketing with a wealth of stimulating ideas. Topics discussed include: the measurement of the managerial impact on service quality improvement; new methods of assessing the various elements of service quality; and philosophies of the nature of customer value. The diverse viewpoints of the contributors reveal the variety of emerging ideas on the subject of service quality.
