This is a long awaited book. It always seemed that it was Kevin's task to write it. He was the mouth piece for the Archangel Metatron and the Ascended Master Djwhal Khul. Kevin left the incarnation in June 2009 without starting. The words you are now holding in your hand are a gift from Spirit; from Kevin, Metatron and Djwhal Khul. In this book there are not just words but through it flows healing and inspiration. It includes channellings, meditations, mini processes and an Archangelic Horoscopes. Some of the ideas may be new and challenging. It is my prayer that it informs, inspires and above all revolutionise the way Healing, Health and The Angelic Kingdom are viewed. Christine Core Angelic Reiki is the pure joy of working hand in hand with the Angelic Kingdom of light. Angels have guided you to this place. Tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution. God knows each conflict a teen goes through--with their families, friends, and teachers--and he is in control. In this student edition of The Peacemaker, Ken Sande and Kevin Johnson show teens, youth leaders, parents, and pastors, how they can apply biblical principles to conflict situations, allowing for forgiveness and reconciliation instead of hatred or violence. With an approachable style that treats teens with respect, this much-needed resource can be used individually or as part of a small group or youth group study.
