Nicholas St. North, a daredevil swordsman seeking treasure in the fiercely guarded village of Santoff Claussen finds, instead, the great wizard Ombric Shalazar and a battle against the Nightmare King and his evil Fearlings--a battle Nicholas can win onlyif he finds five other Guardians in time.

Forget naughty or nice—this is a battle of good vs. evil. Discover the origins of St. Nick and follow along as the Guardians start their quest to rid the world of nightmares in the first Guardians chapter book from Academy Award winner William Joyce that inspired the beloved film, The Rise of the Guardians. Before SANTA was SANTA, he was North, Nicholas St. North—a daredevil swordsman whose prowess with double scimitars was legendary. Like any swashbuckling young warrior, North seeks treasure and adventure, leading him to the fiercely guarded village of Santoff Claussen, said to be home to the greatest treasure in all the East, and to an even greater wizard, Ombric Shalazar. But when North arrives, legends of riches have given way to terrors of epic proportions! North must decide whether to seek his fortune…or save the village. When our rebellious hero gets sucked into the chaos (literally), the fight becomes very personal. The Nightmare King and his evil Fearlings are ruling the night, owning the shadows, and sending waves of fear through all of Santoff Clausen. For North, this is a battle worth fighting…and, he’s not alone. There are five other Guardians out there. He only has to find them in time.

E. Aster Bunnymund uses his martial arts skills, his network of tunnels, and the help of MiM, Sand Mansnoozy, and Nicholas St. North to battle the Nightmare King, Pitch, who has sent a venomous serpent to attack Bunnymund's royal guard of warrior eggs.

The Guardians’ powers are put to the ultimate test in their final battle in this thrilling conclusion to the epic chapter book series from William Joyce. When we last saw the Guardians, they were celebrating their victory during Bright Night, the final great Battle of the Moon, where they defeated Pitch once and for all. Or so they thought. Now, many years later, the Guardians have settled into their final selves, embracing their public images and the Earth Holidays. But the world has not been without evil since Pitch’s imprisonment. All the Guardians feel the weight of lurking menace, but Jack Frost—now half human, half of his former self Nightlight—feels it the most. Jack’s transition from Nightlight to Guardian was not an easy one. Always inclined to keep to himself, Jack has become especially isolated from the other Guardians since his transformation. Yet it is Jack who Ombric Shalazar (once a great wizard, now known as Father Time) trusts with a tremendous secret. But for Jack to fully understand this secret, he must revisit his past—and finally tell his story. Jack’s story, however, isn’t the only one to be reopened; an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test the Guardians like never before. It’s a battle of superlatives—the worse fighting the greatest, but where, oh where, is Jack?

When Pitch and Katherine go missing, the Man in the Moon recruits the sleepy but clever Sandman to aid the Guardians' cause in an adventure that finds them struggling to convince their new member to accept a more optimistic perspective. By the creator of the best-selling The Fantastic Flying Books of Mr. Morris Lessmore.

When orphaned Katherine learns that the teeth collected by the scorned Tooth Fairy contain memories of childhood, she enlists the help of the Guardians to get her tooth back and remember her parents.

Where’s my homework? Who took my other sock? What’s that in my belly button? The creators of the #1 New York Times bestselling and Academy Award–winning The Fantastic Flying Books of Mr. Morris Lessmore have found the answers to these and other life mysteries…and no, it’s not your fault! Strange smells. Disappearing remotes. That itch you just can’t reach. It’s not your fault! It’s the Mischievians, an ancient race of global mischief-makers who do all the things that embarrass you. All the things that bug you. All the things that YOU get blamed for! There is no cause for alarm (sorta). Come meet the Homework Eater, the fiend who steals your homework! See the Endroller, the villain who uses up ALL the toilet paper! Discover the Yawn Mower, the creature who makes you yawn at the worst possible time! And many, many more. Read on, and be free.

This boxed set of the first three Guardians books is the perfect companion to the Rise of the Guardians movie! Of course you know the Guardians. You’ve known them since before you can remember and you’ll know them till your memories are like twilight: Santa, the Easter Bunny, the Tooth Fairy, and the others. But where did they come from? How did they become beloved and worthy of holidays? And what nefarious evildoer prompts them to band together and protect the children of the world? Answers are revealed and imaginations unfurl in this this treasure trove of a boxed set. Both a standalone collectible and the ideal complement to the mesmerizing Dreamworks Animation movie Rise of the Guardians, this set includes the first three titles in the Guardians chapter book series: Nicholas St. North and the Battle of the Nightmare King, E. Aster Bunnymund and the Warrior Eggs at the Earth’s Core!, and Toothiana, Queen of the Tooth Fairy Armies.

In the first book of a multibook series, find out how a round, jolly baby became the great white hope of the Milky Way—and ringleader of the Guardians of Childhood. Up there in the sky. Don’t you see him? No, not the moon. The Man in the Moon. He wasn’t always a man. Nor was he always on the moon. He was once a child. Like you. Until a battle, a shooting star, and a lost balloon sent him on a quest. Meet the very first guardian of childhood. MiM, the Man in the Moon.
