Virtual Dive technology is coming out of the workplace and into homes. Nigmus Online is the first MMO to use this new device. The only caveat to the game; there is no manual. The only instruction the player gets is how to interact with the user interface. That's it. Nobody is going to hold their hand or give out rare items.

My favorite parts of this book are the untraditional class selection and mysteries of nigmus online, the characters and their struggles, and the ease of reading when grammar isn't getting in the way. This book also evoked emotions in me, which I appreciate.

The author of Gun Meister, the Nigmus Online Series, and (soon) the Star Nova Series. Two years ago I saved enough money to quit my job and take up writing. Until now, I have lived off of my dwindling savings. Typically I release between five thousand and ten thousand words a week, so I don't sleep very much.

Virtual Dive technology is coming out of the workplace and into homes. Nigmus Online is the first MMO to use this new device. The only caveat to the game; there is no manual. The only instruction the player gets is how to interact with the user interface. That's it. Nobody is going to hold their hand or give out rare items. Players begin life as a level zero commoner. Its entirely up to them what class they become. Explore a world that spans five continents. Story Summary Liam is tricked into trying an expensive and innovative online MMO. On his first trip into the game he stumbles upon a hidden class. The Undead Necromancer. Intrigued by this turn in events he continues to explore this mysterious world. In another part of the country Kathrine(Kat) suffers from a debilitating and paralyzing disease. Taking part in an experimental research could offer her a new lease on life (of a sort). Even further afield Russia and China are undergoing a massive spike in suicide rate. What could be causing so many young adults to dire ends?

Gun Meister Online is a recently released Virtual-Reality Combat Simulator. Players assume the role of a Meister; fighting in matches and ranking up into higher divisions. Within the game, weapons take on human shape. These NPC's use a new Dynamic Distributed Personality System recently implemented, and many are excited by how life-like the AI characters are becoming. Charlie has only just begun to play, and he struggles to grow as a Meister. At the same time, he starts to take charge of his real-life outside. Eventually, Charlie finds friendship among a group of erratic misfits along with an arsenal of beautiful weapons. Follow him on an adrenaline filled adventure, one that may decide the fate of Earth. Online experience may vary from person to person. Gun Meister is rated [Adult] and only those eighteen or older are allowed to enter a world of guns, violence, profanity, fast cars, pretty girls, and a hot mess of sexual content. Have we mentioned harems, yet? Every Meister gets one. This version contains uncensored and detailed descriptions of sex. Enjoy.

The dungeon cores are dying. In the wake of the demon invasion, dungeons are being exterminated to protect the land. The Cult of Chaos may have been defeated, but the Exalted One remains in the shadows, pulling the strings. Now his time has come. Ryan, struggling with memories of his life as a human, finds himself once again under threat from the Church. Only by growing to the fabled diamond tier will he have a chance to save those around him. This time it's all or nothing, because the God of Death is watching. Can a dungeon defeat a god? It's going to take a little more than a stalactite to the head...

NOW FREE! Lies aren't her only weapons against the fae... In the Halow system, one of Earth's three sister star systems, tek and magic—humans and fae—are at war. Kesh Lasota is a ghost in the machine. Invisible to tek, she's hired by the criminal underworld to carry illegal messages through the Halow system. But when one of those messages kills its recipient, Kesh finds herself on the run with a bounty on her head and a quick-witted marshal on her tail. Proving her innocence should be straightforward. Until a warfae steals the evidence she needs. The fae haven't been seen in Halow in over a thousand years. And this one—a brutally efficient killer able to wield tek—should not exist. But neither should Kesh. As Kesh's carefully crafted lie of a life crumbles around her, she knows being invisible is no longer an option. To hunt the warfae, to stop him from destroying a thousand-year fragile peace, she must resurrect the horrors of her past. Kesh Lasota was a ghost. Now she's back, and there's only one thing she knows for certain: Nobody shoots the messenger and gets away with it. Reader note: This series is professionally edited and proofread for your reading enjoyment. beheading? Now reborn, Ryan begins to arm his darkness dungeon with devious traps, bestial zombies and ill-named skeletal creations, without doing anything too evil. Well, mostly. Some adventurers just deserve a stalactite to the head. But Ryan quickly learns being a darkness dungeon isn't all loot and bone puns. With a necromancer on the rise and the Adventurer's Guild watching his every move, he must prove that not all darkness dungeons are malevolent... even if they do have a few skeletons in their caverns. Sadly, all of these issues keep distracting him from his own guilty pleasure, skeletal fight club. But don't tell his fairy about that.
