A dazzling and darkly comic memoir about coming of age in a black funeral home in Baltimore Sheri Booker was only fifteen when she started working at Wylie Funeral Home in West Baltimore. She had no idea her summer job would become nine years of immersion into a hidden world. Reeling from the death of her beloved great aunt, Sheri found comfort in the funeral home and soon had the run of the place. With AIDS and gang violence threatening to wipe out a generation of black men, Wylie was never short on business. As families came together to bury one of their own, Booker was privy to their most intimate moments of grief and despair. But along with the sadness, Booker encountered moments of dark humor: brawls between mistresses and widows, and car crashes at McDonald ' s with dead bodies in tow. While she never got over her terror of the embalming room, Booker learned to expect the unexpected and to never, ever cry. *Nine Years Under* offers readers an unbelievable glimpse into an industry in the backdrop of all our lives.

Now a husband and father, Avi takes to the barricades to defend his village from the mob coming to kill the men, rape the women, and burn down his village. Armed, he again faces Viktor Askinov, who is leading the mob. But he has been warned that if he kills Viktor Askinov, he puts his beautiful young wife Sara and newborn son Itzhak in deadly peril. Avi must decide this night what he stands for. Is it survival at any cost, for himself and those he loves? Or is it righteous vengeance for his people?

“ Extraordinary . . . an act of courage and self-invention. ” —The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA ’ S FAVORITE BOOKS OF THE YEAR • BILL GATES ’ S HOLIDAY READING LIST • FINALIST: National Book Critics Circle ’ s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara ’ s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she ’ d traveled too far, if there was still a way home.

“ Beautiful and propulsive . . . Despite the singularity of [Westover ’ s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up? ” —Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine •
