Ninety-two in the Shade is the story of a man struggling for purchase. Incomprehensible ranting occasionally interrupted by moments of humor and brilliant prose and more infrequently a plot. I couldn't help but feel, while reading, that the gaps between brilliance were more a result of my shortcomings as a reader.

Ninety Two in the Shade, Thomas Mc Guane by Thomas Mc Guane I returned to live in Key West in the very year another resident of Key West released this book. I originally arrived to the last island out of America in '71 and fell under it's spell.

Ninety-Two in the Shade | Norman Van Aken

Ninety-Two in the Shade, flashing with just that kind of intensity, is set in the Florida keys where young Tom Skelton who ""required a sense of mortality"" has gotten his shaky self together to the point of deciding that he wants to become a fishing guide although the territory is well staked out by two others, one of whom has openly declared he will kill him.

NINETY-TWO IN THE SHADE by Thomas McGuane | Kirkus Reviews

Though set in Key West, Florida, a goodly portion of 92 in the Shade was filmed in England. Peter Fonda plays Tom Skelton, a bum who gets a job as a fishing guide in his old home town. Nobody ...

Tiring of the company of junkies and burn-outs, Thomas Skelton goes home to Key West to take up a more wholesome life. But things fester in America's utter South. And Skelton's plans to become a skiff guide in the shining blue subtropical waters place him on a collision course with Nichol Dance, who has risen to the crest of the profession by dint of infallible instincts and a reputation for homicide. Out of their deadly rivalry, Thomas McGuane has constructed a novel with the impetus of a thriller and the heartbroken humor that is his distinct contribution to American prose. "Full of surprises and rewards and an exhilaration one feels only rarely." Newsweek on Ninety-Two in the Shade.

A young man courts disaster when he decides to compete with two established fishing guides in Key West.

A refugee from a world of drug addicts and misfits, Thomas Skelton goes home to Key West. But Key West itself turns out to be an alien world - torrid, hostile and grotesque. Taking up residence in an abandoned airplane fuselage, Skelton plans to become a skiff guide in the shining blue subtropical waters and enters into a competition with Nichol Dance, supreme guide of the Keys. Dance has already killed one man while tending bar in Kentucky and will not hesitate to kill another. But Skelton will not back down and the two, surrounded by an assortment of eccentric characters, embark on a deadly course from which neither can turn back.

Returning home to Key West, Thomas Skelton, who is often lost in a hallucinatory world, attempts to come to terms with the town's hostility and bizarreness as he tries to establish himself as a fishing guide in the face of a death threat from another guide

In life Lucien Taylor has made several mistakes, but the two most grievous are as follows: leaving his wife and son to take up with his old flame, Emily; and putting up Emily's bail when she is arrested for murder. The upshot is that Lucien is left stranded in Montana, with a malodorous hot spring and a squandered sense of purpose. As told by Thomas McGuane, Lucien's attempt to recoup his losses makes for a funny, rueful, and beautifully rendered portrait of American manhood on the rocks—a book that says volumes about the lives of dogs and falcons, the yearnings of sons for fathers, and the skeptical truce that men and women sometimes reach when they get tired of fighting.

Thomas McGuane's high-spirited and fiercely lyrical new novel chronicles the fall and rise of Frank Copenhaver, a man so unhinged by his wife's departure that he finds himself ruining his business, falling in love with the wrong women, and wandering the lawns of his neighborhood, desperate for the merest glimpse of normalcy. The result is a ruefully funny novel of embattled manhood, set in the country that McGuane has made his own: a Montana where cowboys slug it out with speculators, a cattleman's best friend may be his insurance broker, and love and fishing are the only consolations that last.

Collected interviews with the author of Ninety-two in the Shade, The Sporting Club, and other novels

True stories of writers and pirates, painters and potheads, guitar pickers and drug merchants in Key West in the 1970s. For Hemingway and Fitzgerald, there was Paris in the twenties. For others, later, there was Greenwich Village, Big Sur, and Woodstock. But for an even later generation—one defined by the likes of Jimmy Buffett, Tom McGuane, and Hunter S. Thompson—there was another moveable feast: Key West, Florida. The small town on the two-by-four-mile island has long been an artistic haven, a wild refuge for people of all persuasions, and the inspirational home for a league of great American writers. Some of the artists went there to be literary he-men. Some went to re-create themselves. Others just went to disappear—and succeeded. No matter what inspired the trip, Key West in the seventies was the right place at the right time, where and when an astonishing collection of artists wove a web of creative inspiration. Mile Marker Zero tells the story of how these writers and artists found their identities in Key West and maintained their friendships over the decades, despite oceans of booze and boatloads of pot, through serial marriages and sexual escapades, in that dangerous paradise. Unlike the “Lost Generation” of Paris in the twenties, we have a generation that invented, reinvented, and found itself at the unending cocktail party at the end—and the beginning—of America’s highway.
