The NorthStar video program includes ten engaging video segments, including segments from ABC News, featuring topics correlated to the themes in the NorthStar 3 listening and speaking, and reading and writing, student books. Each video segment is from 2 to 5 minutes long and incorporates key vocabulary from the student books. The DVD guide contains unit-by-unit video scripts, as well as vocabulary for comprehension and background notes to enhance the accessibility and enjoyment of the video material. Each of the ten video segments has an optional corresponding video activity that is designed for students to use in class before, during, and after viewing the video. The activities can be downloaded from the NorthStar companion website.

Explore fascinating content while building language competence and critical thinking skills. The best-selling NorthStar series (Series Editors: Frances Boyd and Carol Numrich), now in its Second Edition, offers two strands: a reading and writing strand and a listening and speaking strand. Both strands stimulate students' imagination, encourage critical thinking, and promote personal expression. Revision Features New and updated high-interest topics motivate students to express their own points of view. Expanded vocabulary and pronunciation practice ensure greater language proficiency. A grammar correlation chart links NorthStar, Second Edition, to two leading grammar series: Focus on Grammar and the Azar Grammar series. The fully integrated approach includes a teacher's manual with achievement tests, process writing activity books, audio recordings of the main reading and listening sections, a new video program, and a Companion Website (with vocabulary worksheets, video worksheets, Internet activities, and other resources). NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series. Components: Print or eText Student Book with MyEnglishLab — Building on the success of previous editions, NorthStar continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of print and online

content. eText with MyEnglishLab — Offering maximum flexibility for different learning styles and needs, a digital version of the Student Book can be used on iPad and Android devices. MyEnglishLab: NorthStar — Students use MyEnglishLab to access additional practice online, view videos, listen to audio selections, and receive instant feedback on their work. Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook. Teacher Resource eText — Each strand of NorthStar has an accompanying Teacher Resource eText with the following: digital Student Book, downloadable achievement tests, classroom audio, lesson planners, video activities, videoscripts, teacher's manuals, answer keys, and a downloadable placement test. Accessible through MyEnglishLab: NorthStar. Classroom Audio CD — Listening and Speaking audio contains the recordings and activities as well as audio for the achievement tests. The Reading and Writing strand contains the readings on audio.

'Northstar' is an integrated, four-level series with two strands. - One focuses on developing listening and speaking skills, while the other focuses on reading and writing; Develops language skills through sequenced activities that are fun, focused and communicative; Offers a complete, coordinated course by keying the language levels and grammar points to the Focus on Grammar series.

Northstar, now in its third edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the strands Reading and Writing and Listening and Speaking provide a fully integrated approach for students and teachers.

Clear and easy-to-follow, the NorthStar listening/speaking and reading/writing books follow the same unique unit outline. Each unit is flexible enough to customize for your individual classroom needs. And while the exercises in steps 1 to 4 are essential for comprehension of the topic, you can choose from exercises 5 to 7 or assign those activities for homework.
