Of Anna 1 Marissa Honeycutt

Anna has been turned over to Devin Andersen, the most powerful man in San Francisco. What does he have planned for her? Is she just his mistress? Or does he have darker designs in mind? Anna's entire life was scripted out before she was born by Devin Andersen, a man who doesn't have her best interests in mind. She is destined to be a tool in his hands to gain ultimate power in the USA. No, not as the President, but as the man who controls the President. Raised by an extremely abusive guardian, Anna was molded into the perfect tool for Devin's use. Devin will use Anna's unique gifts to control everyone around him and eventually take her gifts for himself. When Devin took her for himself at the age of sixteen, she had a vision of a man. A man who Devin was very interested in. But why? Why would Devin care about a young girl's dreams?

Anna has two masters, one she hardly knows, but who makes her feel safe, the other she's known all her life and says he needs her. Alex wants her to be free. Devin demands her obedience. As Anna takes her first steps into the world, into love, into friendship, she wonders if she will ever understand either of them. There is a subculture within our own world that you've only heard whispers of. The conspiracy theorists wish they knew Anna's story. What the conspiracy theorists

think they know is only disinformation, put out there to keep them from the real story.

Evil is Coming... Between her love of dance and Chase, Sabrina finally feels she found her place in the world. Yet somewhere in the darkness her Master is waiting... watching for the perfect opportunity to wield her as his greatest weapon. Chase would give her his heart and build a beautiful future with her, if Sabrina could battle back the darkness brewing within her. But the Master’s control is clawing at her, tempting her into submission. The war between good and evil has begun, with Sabrina as its unwitting target. Loyalties will be tested. Patience rewarded. As the powers that be rise and fall, who will be left standing in the end? And what side will Sabrina choose? The compelling conclusion to the Finding Sabrina Series ends with Master of My Life, the epic finale fans have been waiting for! Please Note: The series was originally designated as a four-book series. Because of the amount of time that has passed since I published Part Two, I've decided to conclude the series with one large volume. Sabrina's story is now a three-book series.

Evil is among us, and there's no telling how far it will take you to get what it wants.***

When life goes wrong, can it ever be made right? Five years ago, Sabrina left Boston anticipating her stay back home to be full of joy and hope. Instead, she became the leading role in her own living hell. Nothing more than a shadow of her former self, she escapes a malevolence determined to break her, and returns to Boston, trying to regain a semblance of the girl she once was. The girl without nightmares. The girl without shame and fear. Five years ago, Chase lost his heart and has compared every woman he encounters to the green-eyed beauty he met on the yacht. His life didn’t turn out quite the way he expected, but he has grown stronger through his trials. Now, a marriage deadline is looming and the woman he wants seems to be a ghost trapped in his past. Fate brought them together. Evil tore them apart. Can Chase lead Sabrina into the light before she’s lost to the darkness forever? ***Please note this is Part Two of a four-part series. It must be read in order, or nothing will make any sense.

Confounded by an unexpected magnetism, Kyra’s resolve unravels as she becomes engulfed in Nathan’s dangerous world, even when she is terrorized by his inner demons. Is Kyra holding on to the distorted hope of an impossible future or can she find light beyond the darkness?

As an author, I know that characters often take on lives of their own. But what would you do if you received a phone call from someone you thought only existed in the pages of your book? That is exactly what happened to me, Marissa Honeycutt, author of The Life of Anna. Imagine my complete shock when I was called upon to perform an extraordinary and revolting task: travel to Russia to speak to one hailed by many as their all-time favorite villain. No one begins life as an evil son of a...well, you know, including Devin. Believe it or not, there was a time when our villain was a young man in love. So what happened? Join me as I delve deep into the mind of Devin Andersen, to find out how the man became the monster. ***Please note this is not a stand-alone story. If you don’t like spoilers, don’t read this until you read The Life of Anna.

Buried deep below the everyday life of our society lives an underground world of nightmares-of violence and murder no one dares speak about. Contracts and laws weave the web of our culture together. Our Masters walk amongst us. They can be our friends, or the ones to make us disappear forever. Where I once had found peace within my existence, it all ended with the death of my cruel, yet caring owner. My world shattered and I was taken back to the one place I had hoped to never see again-the cells of Whitlock-a subterranean fortress for slaves who await their new placement. Now I have no rights. I have no say. My feelings and wellbeing are meaningless. Escape is impossible, but I have nothing left to lose.To stand any chance of survival, I must give my life as collateral to the highest bidder: Soul for Sale.slave 24690

The lawyer, in an effort to save his own skin, first tries to intimidate Daddy. When that fails, he then enlists the help of a corrupt cop and an inner city gang. Mia, on finding out what happens to her one and only true friend who was only trying to help her, sets out on her own mission to destroy her husband. Her rage at her treatment and her abusers is let loose as she sets out to crush the family that "owns" her.
