5.0 out of 5 stars One Last Dram Before Midnight. Reviewed in the United Kingdom on 13 September 2017. Verified Purchase. It was great to revisit the short stories I had already read and I really enjoyed the new ones. Denzil Meyrick has a knack of making the reader feel as though they are actually in Kinloch watching everything as it happens.

A MAJOR MOTION PICTURE STARRING BELLA THORNE! A heartbreaking tale of love, loss and one nearly perfect summer -- perfect for fans of The Fault In Our Stars and Love, Simon. Seventeen-year-old Katie Price has a rare disease that makes exposure to even the smallest amount of sunlight deadly. Confined to her house during the day, her company is limited to her widowed father and her best (okay, only) friend. It isn't until after nightfall that Katie's world opens up, when she takes her guitar to the local train station and plays for the people coming and going. Charlie Reed is a former all-star athlete at a crossroads in his life - and the boy Katie has secretly admired from afar for years. When he happens upon her playing guitar one night, fate intervenes and the two embark on a star-crossed romance. As they challenge each other to chase their dreams and fall for each other under the summer night sky, Katie and Charlie form a bond strong enough to change them -- and everyone around them -- forever.

“This is Dickens in the present tense, Dickens for the twenty-first century.”—Roddy Doyle, The New York Times Book Review An Irishman in nineteenth-century England is forced to take sides when his nephew joins the bloody underground movement for independence in this propulsive novel from the acclaimed author of The North Water. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • The New York Public Library • New Statesman • Publishers Weekly Manchester, England, 1867. The rebels will be hanged at dawn, and their brotherhood is already plotting its revenge. Stephen Doyle, an Irish-American veteran of the Civil War, arrives in Manchester from New York with a thirst for blood. He has joined the Fenians, a secret society intent on ending British rule in Ireland by any means necessary. Head Constable James O’Connor has fled grief and drink in Dublin for a sober start in Manchester. His job is to discover and thwart the Fenians’ plans whatever they might be. When a long-lost nephew arrives on O’Connor’s doorstep looking for work, he cannot foresee the way his fragile new life will be imperiled—and how his and Doyle’s fates will become fatally intertwined. In this propulsive tale of the underground war for Irish independence, the author of The North Water once again transports readers to a time when blood begot blood. Moving from the dirt and uproar of industrial Manchester to the quiet hills of rural Pennsylvania, The Abstainer is a searing novel in which two men, haunted by their pasts and driven forward by the need for justice and retribution, must fight for life and legacy.

The steps of a charmingly complex dance—Scotland’s famous reel—are at the heart of Hester Browne’s enchanting contemporary novel of two very different sisters whose dreams may come true at a romantic Scottish ball. Evie Nicholson is in love . . . with the past. An antiques appraiser in a London shop, Evie spins fanciful attachments to Victorian picture frames, French champagne glasses, satin evening gloves, and tattered teddy bears—regardless of their monetary value. Alice Nicholson is in love . . . with Fraser Graham, a dashing Scotsman whom Evie secretly desires. As crisply neat and stylish as Evie is cheerfully cluttered, Alice is a professional organizer determined to pull her sister out of her comfort zone—and who presents her with an irresistible offer. As a favor to friends of Fraser’s family, Evie jumps at the chance to appraise a Scottish castle full of artifacts and heirlooms. What could be more thrilling than roaming the halls of Kettleisher and uncovering the McAndrews’ family treasures—and dusty secrets? But crossing paths with moody heir Robert McAndrew has Evie assessing what she wants the most . . . and at an upcoming candlelight gala, a traditional dance will set her heart reeling.

He was never truly gone, only biding his time... Late on midsummer’s night there is a splash in the river Thames. A body is found on an island, asphyxiated and laced with strange markings. For DCI Craig Gillard it's a baffling case. The victim’s identity is elusive, clues are scarce and every witness has something to hide. Meanwhile one of Britain’s deadliest serial killers is finally up for parole after a deal to reveal the location of two missing bodies. The felon has his own plans to get even with witnesses, accusers and the officer who caught him thirty years before. And who was that? A young trainee, by the name of Gillard. Don’t miss the new explosive crime thriller from master storyteller Nick Louth, perfect for fans of Mark Billingham, Cara Hunter and Robert Bryndza.

The Other Side of Midnight is Sidney Sheldon at his best. This page-turner is full of tortured romantic entanglements, reverses of fortune, thrilling suspense, and ultimate justice. In Paris, Washington, and a fabulous villa in Greece, an innocent American becomes a bewildered, horror-stricken pawn in a game of vengeance and betrayal. She is Catherine Douglas, a woman caught in a web of four lives intertwined by passion as her handsome husband pursues an incredibly beautiful film star . . . and as Constantin Demeris, a legendary Greek tycoon, tightens the strands that control them all.
