This phrase originated in I ' m (also We ' re and They ' re) only here for the beer. It ' s Double Diamond , which was the slogan of an advertising campaign for Double Diamond, an English pale ale. All the advertisements using that slogan that I have found were published in the Daily Mirror (London, England) from 1 st November 1969 to 11 th September 1971.

Only Here for the Beer? What has CAMRA achieved in its lifetime, and what does the future hold? Success or Failure? CAMRA – the Campaign for Real Ale – was founded in 1971, and in the first ten years of its existence it succeeded in making the major breweries do an abrupt U-turn of policy, and won the accolade of “ the most successful consumer movement in Europe ” .

Free beer finishing up the keys meant that there was no shortage of people to clear up. Check current legal and local requirements. Not everyone knows about the legal requirement for a paper bag for your glass: one of the two police officers who checked us out during the festival came back later, bought a glass, and crossed the road to his patrol car without a paper bag.

Beer. "We couldn't believe our luck when the so-called high-street operators and the themed pub owners opened up lots of pubs all around Britain, and they didn't put any real ale in," remembers Tim. "It was the wise old fogies like Fuller's, Young's, Greene King and us who kept pushing real ale and we ' ve stood the test of time better than the guys who didn't.

Only here for the beer - and its many aromas. Stephen Jones 1st July 2005 at 1:00am. Share this. Roving reporter Stephen Jones spends a sobering day on the ale at the Beer Academy. It is 9.30am, which you might think is a bit early for starting on the ale.

Re-issued in tribute to the late Gerry Marshall, one of the greatest personalities ever to grace the British club motorsport scene, this wonderfully entertaining book, first published in 1978, captures perfectly the character of one of life's great entertainers. Gerry's outrageous behavior, humor, outspokenness and legendary capacity for alcohol combined to ensure that no social event with his presence will ever be forgotten, while his amazing car control, tenacity and natural showmanship provided wonderful entertainment for thousands of racegoers over a 40-year career in which he won more than 600 races. A celebration of the life of one of motor racing's all too rare characters.

Now seen as something to taste, savor, travel for, and talk about, beer really is the new wine. This new, up-to-date edition of The Beer Book features every significant brewery in every significant brewing nation, and showcases new beers and specialist beers, as well as the classics. With a visual catalog of more than 800 breweries, whistle-stop beer trails, and key beer facts throughout, The Beer Book is the indispensable guide to the world's favorite drink.

What do you get when you cross a journalist and a banker? A brewery, of course. "A great city should have great beer. New York finally has, thanks to Brooklyn. Steve Hindy and Tom Potter provided it. Beer School explains how they did it: their mistakes as well as their triumphs. Steve writes with a journalist's skepticism-as though he has forgotten that he is reporting on himself. Tom is even less forgiving-he's a banker, after all. The inside story reads at times like a cautionary tale, but it is an account of a great and welcome achievement." —Michael Jackson, The Beer Hunter(r) "An accessible and insightful case study with terrific insight for aspiring entrepreneurs. And if that's not enough, it is all about beer!" —Professor Murray Low, Executive Director, Lang Center for Entrepreneurship, Columbia Business School "Great lessons on what every first-time entrepreneur will experience. Being down the block from the Brooklyn Brewery, I had firsthand witness to their positive impact on our community. I give Steve and Tom's book an A++!" —Norm Brodsky, Senior Contributing Editor, Inc. magazine "Beer School is a useful and entertaining book. In essence, this is the story of starting a beer business from scratch in New York City. The product is one readers can relate to, and the market is as tough as they get. What a fun challenge! The book can help not only those entrepreneurs who are starting a business but also those trying to grow one once it is established. Steve and Tom write with enthusiasm and insight about building their business. It is clear that they learned a lot along the way. Readers can learn from these lessons too." —Michael Preston, Adjunct Professor, Lang Center for Entrepreneurship, Columbia Business School, and coauthor, The Road to Success: How to Manage Growth "Although we (thankfully!) never had to deal with the Mob, being held up at gunpoint, or having our beer and equipment ripped off, we definitely identified with the challenges faced in those early days of cobbling a brewery together. The revealing story Steve and Tom tell about two partners entering a business out of passion, in an industry they knew little about, being seriously undercapitalized, with an overly naive business plan, and their ultimate success, is an inspiring tale." —Ken Grossman, founder, Sierra Nevada Brewing Co.

There is no available information at this time.

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.

This is a guide to English usage for readers and writers, professional and amateur, established and aspiring, formal trainees and those trying to break in; students of English, both language and literature, and their teachers. In Quite Literally, Wynford Hicks answers questions like: What's an alibi, a bete noire, a celibate, a dilemma? Should underway be two words? Is the word 'meretricious' worth using at all? How do you spell realise - with an s or a z - and should bete be b ê te? Should you split infinitives, end sentences with prepositions, start them with conjunctions? What about four-letter words, euphemisms, foreign words, Americanisms, clich é s, slang, jargon? And does the Queen speak the Queen's English? The advice given can be applied to both formal speech - what is carefully considered, broadcast, presented, scripted or prepared for delivery to a public audience - and will even enhance your everyday language too! Practical and fun, whether to improve your writing for professional purposes or simply enjoy exploring the highways and byways of English

usage, readers from all walks of life will find this book both invaluable and enjoyable.

Should I say "He is taller than I" or "He is taller than me?" Do you spell it "blond" or "blonde"? If you 've ever been stopped in your tracks by questions like these, then this book is for you. A complete pocket guide to the ins and outs of everyday English, *The Basics of English Usage* will tell you all you need to know about such topics as: correct spelling good grammar and style punctuation and how to use it problem words that everyone gets wrong. Including guides to further reading and online resources, *The Basics of English Usage* is an indispensable survival guide for anyone wanting to improve their writing and communication.
